

**ECONOMIC DEVELOPMENT AND PERFORMANCE AGREEMENT BETWEEN  
THE MANSFIELD ECONOMIC DEVELOPMENT CORPORATION AND 1206  
ANTLER, LTD.**

This Economic Development Agreement ("Agreement") is made and entered into by and between 1206 Antler, LP ("Antler"), a Texas limited partnership and the Mansfield Economic Development Corporation (the "Corporation"), a nonprofit corporation organized under Title 12, of the Texas Local Government Code, for the purposes and considerations stated below:

**RECITALS:**

1. ANTLER intends to make improvements to the property located at 1206 Antler Drive within the corporate limits of the City of Mansfield and hereafter referred to as the "Property" to attract a new long term tenant to the property.

2. The Corporation has determined and found that the Project and Improvements, as defined herein, will create jobs as defined in Title 12, Chapter 501 of the Texas Local Government Code, and that the expenditure of the Corporation to assist in the development of an industrial facility as set forth in this Agreement is suitable or required for the development of a new business enterprise, and falls within the definition of a "project" as defined in Title 12, Chapter 501 of the Texas Local Government Code.

3. The Corporation, which has determined that substantial economic benefit and the creation of new opportunities of employment will accrue to the City as a result of Antler's development and operation of the Improvements (as hereinafter described), desires to have ANTLER construct the Improvements on the Property. This development improvement will help to attract a new business enterprise to the City and increase the taxable value of the Property and will directly and indirectly result in the creation of additional jobs throughout the City and the value of the benefits of the Project will outweigh the amount of expenditures required of the Corporation under this Agreement.

4. The Corporation, to encourage the development and operation of the Property, desires to participate in the funding of the cost to relocate certain infrastructure to the Property and facility which is necessary in order for ANTLER to lease their facility in Mansfield and operate as hereinafter set forth, to aid and promote economic development in the City.

NOW THEREFORE, in consideration of the mutual benefits and promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:
