RE: Notice for Proposed Zoning Change  
Zoning Case Number ZC#13-007

Dear Mr. Wong:

Please let this letter serve as our formal response to the proposed zoning change hearing notice, dated July 26, 2013.

Kroger Texas L.P. objects to the proposed change in zoning on the property and expects that the development of the subject property will be held to the same high standards required by the City of Mansfield, the Planning and Zoning Commission and the City Council.

Sincerely,

Jim Freeman
