

**CHAPTER 380 ECONOMIC DEVELOPMENT AND PERFORMANCE AGREEMENT
BETWEEN THE CITY OF MANSFIELD, BRAIN STORM SHELTER,
BACKYARD COME AS YOU ARE, LP AND TAX INCREMENT REINVESTMENT
ZONE NUMBER TWO OF THE CITY OF MANSFIELD REGARDING THE BACKYARD
DEVELOPMENT FOR PUBLIC AND PRIVATE IMPROVEMENTS TO PROPERTY
WITHIN THE TAX INCREMENT REINVESTMENT ZONE NUMBER TWO**

This Economic Development Agreement (“Agreement”) is made and entered into pursuant to Texas Local Government Code Chapter 380 by and between THE CITY OF MANSFIELD, TEXAS (the “City”), a Texas home rule municipality, THE BOARD OF DIRECTORS OF THE TAX INCREMENT REINVESTMENT ZONE NUMBER TWO, CITY OF MANSFIELD, TEXAS (hereinafter called “Board”), BRAIN STORM SHELTER, LLC (“BSS”), a Texas Limited Liability Company, and BACKYARD COME AS YOU ARE, LP (“MR”), a Texas limited partnership, for the purposes and considerations stated below:

RECITALS AND FINDINGS

1. MR owns or will own the property located at 109 North Main Street, Mansfield, Texas 76063, within the corporate limits of the City (hereafter referred to as the “Property”) as depicted on Exhibit “A”, where it intends to construct or cause the construction of the Public and Private Improvements (as defined below).

2. MR intends to make a new Capital Investment in the Property of at least Two Million Seven Hundred Ten Thousand Dollars (\$2,710,000.00) to construct the Private Improvements and related infrastructure.

3. MR has requested that the City grant certain economic development incentives and concessions to MR, specifically: (1) the City agreeing to pay Fifty Thousand Dollars (\$50,000.00) as consideration for MR dedicating to the City for public use the Trail and Parking Area (as defined below), and (2) an economic development grant of One Hundred Eighty Thousand and Two Dollars (\$180,002.00) to reimburse MR for the cost of constructing the Public Improvements (as defined below).

4. BSS intends to operate three restaurants (“the Restaurants”) in the Private Improvements on the Property, and has also requested that the City grant certain economic development incentives and concessions to BSS, specifically, grants equal to certain percentages of sales tax generated by the Restaurants during the next ten years.

5. The City has determined that granting the requested economic incentives and concessions will serve the public interest by providing public amenities and parking, and by promoting the success of the Restaurants and other nearby businesses that provide needed economic development in the City.

6. The City, which has determined that substantial economic benefit and the creation of new opportunities of employment will accrue to the City as a result of MR's capital investment in the Property, desires to have MR make the capital investment in the Property. The Backyard will increase the taxable value of the Property and will directly result in the creation of jobs on the Property and will indirectly result in the creation of additional jobs throughout the City. As a consequence, the value of the benefits of the economic development incentives and concessions will substantially outweigh the amount of expenditures required of the City under this Agreement.

7. The City recognizes the importance of its continued role in local economic development, and, to encourage the development and operation of the Property, to promote the creation of new businesses, and to obtain the benefits stated in this Agreement, desires to participate in the funding of the cost of certain Private Improvements (hereinafter defined) which are necessary in order for MR to make the capital investment in the Property and to construct the Private Improvements as hereinafter set forth, and for BSS to open and operate the Restaurants, all of which will aid and promote economic development in the City.

8. In accordance with the provisions of the Tax Increment Financing Act, V.T.C.A. Tax Code, Chapter 311 (the "Act"), on December 10, 2012, the Mansfield City Council approved Ordinance No. 1861-12, creating, establishing and designating Tax Increment Reinvestment Zone Number Two of the City of Mansfield" (hereinafter called the "TIF District" or "District").

9. MR owns the Property, which is situated within the TIF District, and intends to develop the property for use as a high quality, first-class urban commercial development together intended for development as three restaurants with ancillary areas and improvements.

10. The Act authorizes the expenditure of funds derived within a reinvestment zone, whether from bond proceeds or other funds, for the payment of expenditures made or estimated to be made and monetary obligations incurred or estimated to be incurred by a municipality consistent with the project plan of the reinvestment zone, which expenditures and monetary obligations constitute project costs, as defined in the Act.

11. On February 11, 2013, after approval by the Board, the Mansfield City Council approved the Tax Increment Reinvestment Zone Financing and Project Plans (herein so called), and the Financing Plan (herein so called).

12. The Board authorized the execution of this Agreement, for the construction of the Public and Private Improvements in accordance with the approved Project Plan and Financing Plan, and authorizing reimbursement to MR from the Tax Increment Fund for the construction of the Public and Private Improvements under the conditions set forth herein.

13. Pursuant to Resolution No. RE-3226-16, the City Council authorized the execution of this Agreement, for the construction of the Public Improvements to facilitate development of the Property and the construction of the Private Improvements in accordance with the approved Project Plan and Financing Plan, and authorizing reimbursement to MR from the Tax Increment Fund for the construction of the Public Improvements under the conditions set forth herein.

14. The Public Improvements constructed within the TIF District boundaries, as set forth in this Agreement, are consistent with encouraging development of the TIF District in accordance with the purposes for its creation and are in compliance with the ordinance creating the TIF District adopted by the City and all applicable laws.

15. The City and Board agree to reimburse funds advanced by MR for the cost of making the Public Improvements as contemplated herein and as contemplated by the Act and as is consistent with the Project Plan and Financing Plan.

16. The City is authorized by Article 52 of the Texas Constitution and Section 380.001 Texas Local Government Code to provide economic development grants to promote local economic development and stimulate business and commercial activities in the City.

17. The City Council finds that the Project, as herein defined, will promote local economic development and stimulate commercial and business activity.

18. The City Council also finds and determines that this Agreement is authorized by Chapter 311 of the Texas Tax Code and by Section 380.001 of the Texas Local Government Code, and hereby establishes a Program to stimulate commercial activity in the TIF District by bringing a first-class urban commercial development to Main Street and finds that this Agreement implements the Program.

19. The City may enter into an agreement with the TIF Board to loan funds sufficient to pay the incentives set forth herein, under Chapter 380 of the Texas Local Government Code, with repayment to the City made as TIF revenues accrue.
