(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered on the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his duly authorized agent, which certificate shall be

evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas and that it is a valid and binding obligation of the City, and has been registered by the Comptroller of Public Accounts of the State of Texas.

(d) On the Closing Date, one Initial Bond representing the entire principal amount of all Bonds, payable in stated installments to the initial purchaser, or its designee, executed by the Mayor and the City Secretary by their manual or facsimile signature, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Underwriters or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver registered definitive Bonds, in accordance with Section 3.10 hereof.

Section 3.05. Ownership. (a) The City, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute Owner of such Bond for the purpose of making and receiving payment of the principal thereof and redemption premium, if any, thereon, for the further purpose of making and receiving payment of the interest thereon (subject to the provisions that interest is to be paid to the person in whose name the Bond is registered on the Record Date), and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange. (a) So long as any Bond remains outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond at the Designated Payment/Transfer Office with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) Each exchange Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration and any subsequent transfer or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption, in whole or in part, where such redemption is scheduled to occur within 45 calendar days after the transfer or exchange date; provided, however, such limitation of transfer shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.07. Cancellation. All Bonds paid or redeemed before scheduled maturity in accordance with this Ordinance and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance shall be cancelled upon the making of proper records regarding such payment, redemption, exchange or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with the Securities Exchange Act of 1934.

Section 3.08. Temporary Bonds. (a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar, the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Bonds. (a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable, or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10. Book-Entry Only System. (a) The definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof with the ownership of each such Bond registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/ Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying

Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on the Bonds, for the purpose of all matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(c) The Representation Letter previously executed and delivered by the City, and applicable to the City's obligations delivered in book-entry-only form to DTC as securities depository for said obligations, is hereby ratified and approved for the Bonds.

Section 3.11. Successor Securities Depository; Transfer Outside Book-Entry Only System. In the event that the City or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the City or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.12. Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such

Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

REDEMPTION OF BONDS BEFORE MATURITY

Section 4.01. Limitation on Redemption. The Bonds shall be subject to redemption before scheduled maturity only as provided in this Article IV.

Section 4.02. Optional Redemption. (a) The City reserves the option to redeem Bonds having stated maturities on and after August 1, 2026, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof, on August 1, 2025 or any date thereafter, at the par value thereof plus accrued interest to the date of redemption.

(b) At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for

redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.05.

(c) The principal amount of the Term Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.03 shall be reduced, at the option of the City, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.04. Partial Redemption. If less than all of the Bonds are to be redeemed, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity or maturities and in such principal amounts for redemption.

(a) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. If such a Bond is to be partially redeemed, the Paying Agent/Registrar shall treat each \$5,000 portion of a Bond as though it were a single bond for purposes of selection for redemption.

(b) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Ordinance, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge, notwithstanding any provision of Section 3.06 to the contrary.

(c) The Paying Agent/Registrar shall promptly notify the City in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.05. Notice of Redemption to Owners. (a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown in the Register at the close of business on the business day next preceding the date of mailing of such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.06. Payment Upon Redemption. (a) Before or on each redemption date, the City shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the

Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Interest and Sinking Fund or otherwise received by the Paying Agent/Registrar from the City and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, redemption premium, if any, and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.07. Effect of Redemption. (a) Notice of redemption having been given as provided in Section 4.04 of this Ordinance, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the City defaults in the payment of the principal thereof, redemption premium, if any, or accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the City shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same.

Section 4.08. Conditional Notice of Redemption.

The City reserves the right, in the case of an optional redemption pursuant to Section 4.02 herein, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the City to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an Event of Default.

Section 4.09. Lapse of Payment.

Money set aside for the redemption of the Bonds and remaining unclaimed by Owners thereof shall be subject to the provisions of Section 3.03(f) hereof.

ARTICLE V

The City, upon not less than 60 days' notice, reserves the right to terminate the appointment of any Paying Agent/Registrar by delivering to the entity whose appointment is to be terminated written notice of such termination, provided, that such termination shall not be effective until a successor Paying Agent/Registrar has been appointed and has accepted the duties of Paying Agent/Registrar for the Bonds.

Section 5.05. Notice of Change. Promptly upon each change in the entity serving as Paying Agent/Registrar, the City will cause notice of the change to be sent to each Owner by first class United States mail, postage prepaid, at the address in the Register, stating the effective date of the change and the name and mailing address of the replacement Paying Agent/Registrar.

The City of Mansfield (the "City"), in the Counties of Tarrant, Johnson and Ellis, State of Texas, for value received, hereby promises to pay to

or registered assigns, but solely from the sources and in the manner hereinafter provided, on the Maturity Date specified above, the sum of

_____ DOLLARS

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provided for, and to pay interest on such principal amount from the later of the Original Issue Date specified above or the most recent interest payment date to which interest has been paid or provided for until such principal amount shall have been paid or provision for such payment shall have been made, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on February 1 and August 1 of each year, commencing August 1, 2016.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate office in Dallas, Texas, of U.S. Bank National Association, as initial Paying Agent/Registrar (the "Designated Payment/Transfer Office"), or, with respect to a successor paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the interest payment date, mailed on or before such interest payment date, by first class United States mail, postage prepaid, by the Paying Agent/Registrar to the registered owner at the address shown on the registration books kept by the Paying Agent/Registrar, or by such other customary banking arrangement acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid; provided, however, that such person shall bear all risk and expenses of such customary banking arrangement. For the purpose of the payment of interest on this Bond, the registered owner shall be the person in whose name this Bond is registered at the close of business on the "Record Date," which shall be

the fifteenth day of the month next preceding such interest payment date. However, in the event that interest is not paid on a scheduled payment date and remains unpaid for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which date shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class, postage prepaid, to the address of each registered owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last business day preceding the date of mailing of such notice.

If the date for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, legal holiday or day on which banking institutions in the city where the Designated Payment/Transfer Office is located are required or authorized by law or executive order to close, the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or day on which banking institutions are required or authorized to close and payment on such date shall for all purposes be deemed to have been made on the original date payment was due.

This Bond is dated December 1, 2015 and is one of the series of fully registered bonds specified in its title issued in the aggregate principal amount of \$_____ (herein referred to as the "Bonds") issued pursuant to an ordinance adopted by the governing body of the City (the "Ordinance"), for the purposes of (i) constructing, acquiring and installing improvements, additions and extensions to the System, (ii) refunding certain of the City's revenue bonds payable from the Pledged Revenues of the City's combined waterworks and sewer system for debt service savings, and (iii) paying the costs of issuing the Bonds.

The Bonds constitute special obligations of the City and, together with outstanding parity revenue bonds and any additional parity revenue bonds which the City has reserved the right to issue, are payable solely from and equally secured by a first lien on and pledge of the Pledged Revenues (as defined in the Ordinance) of the City's combined waterworks and sewer system (the "System"). The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the System, except with respect to the Pledged Revenues.

The owner hereof shall never have the right to demand payment of this Bond out of any funds raised or to be raised by taxation.

The City expressly reserves the right to issue additional revenue obligations in all things on a parity with the Bonds and the previously issued parity revenue bonds, payable solely from and equally secured by a lien on and pledge of the Pledged Revenues of the System; provided, however, that any and all such additional obligations may be so issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Ordinance to which reference is hereby made for more complete and full particulars.

The City has reserved the option to redeem the Bonds maturing on or after August 1, 2026, in whole or in part, before their respective scheduled maturity dates, on August 1, 2025, or on any date thereafter, at a price equal to the principal amount of the Bonds so called for redemption plus accrued interest to the date fixed for redemption. If less than all of the Bonds are to be redeemed, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity or maturities and in such principal amounts, for redemption.

The Bonds maturing August 1, 20__ and August 1, 20__ (the "Term Bonds") are subject to scheduled mandatory redemption and will be redeemed by the City, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund, on the dates and in the respective principal amounts as set forth below.

At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in the Ordinance.

In lieu of calling the Term Bonds described above, for mandatory redemption, the City reserves the right to purchase such Term Bonds at a price not exceeding the principal amount thereof, plus accrued interest, with (a) moneys on deposit in the Interest and Sinking Fund which are available for the mandatory redemption of such Term Bonds or (b) other lawfully available funds. Upon any such purchase in lieu of redemption, not less than forty-five (45) days prior to a mandatory redemption date, the City shall deliver such Term Bonds to the Paying Agent/Registrar prior to the selection of the Term Bonds for redemption and the principal amount so delivered shall be credited against the amount required to be called for redemption in that year.

Notice of such redemption or redemptions shall be given by first class mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the registered owner of each of the Bonds to be redeemed in whole or in part. Notice having been so given, the Bonds or portions thereof designated for redemption shall become due and payable on the redemption date specified in such notice; and, from and after such date, notwithstanding that any of the Bonds or portions thereof so called for redemption shall not have been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.

The City reserves the right, in the case of an optional redemption to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the City to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

As provided in the Ordinance, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office with such indorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The City, the Paying Agent/Registrar and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the "Record Date" or "Special Record Date," as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City, the Paying Agent/Registrar nor any other person shall be affected by notice to the contrary.

Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds to render the same lawful and valid

have been properly done and have happened in regular and due time, form and manner as required by law; that the Bonds do not exceed any constitutional or statutory limitation; and that provision has been made for the payment of the principal of and interest on the Bonds by irrevocably pledging the Pledged Revenues of the System, as hereinabove recited.

IN WITNESS WHEREOF, the City has caused this Bond to be duly executed under its official seal.

Section 6.03. CUSIP Registration. The City may secure identification numbers through the CUSIP Global Services Bureau managed by Standard & Poor’s Financial Services LLC on behalf of the American Bankers Association, and may authorize the printing of such numbers on the face of the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof and neither the City nor bond counsel to the City are to be held responsible for CUSIP numbers incorrectly printed on the Bonds.

Section 6.04. Legal Opinion. The approving legal opinion of Bracewell & Giuliani LLP, Bond Counsel, may be printed on each Bond over the certification of the City Secretary of the City, which may be executed in facsimile.

Section 6.05. Statement of Insurance. If municipal bond guaranty insurance is obtained with respect to the Bonds, the Bonds, including the Initial Bond, may bear an appropriate legend, as provided by the insurer. To the extent permitted by applicable law, the City will comply with all notice and other applicable requirements of the insurer in connection with the issuance of the Bonds, as such requirements may be in effect and transmitted to the City with the insurer’s commitment to issue such insurance.

ARTICLE VIII

FUNDS AND ACCOUNTS

Section 8.01. System Fund. There is hereby confirmed the establishment and maintenance on the books of the City, accounted for separate and apart from all other funds of the City, a special fund entitled "City of Mansfield Waterworks and Sewer System Fund" (the "System Fund"). All Gross Revenues shall be credited to the System Fund immediately upon receipt. All current expenses of operation and maintenance of the System shall be paid from such Gross Revenues credited to the System Fund as a first charge against same. Before making any deposits required to be made from the System Fund, the City shall retain in the System Fund at all times an amount at least equal to one-sixth of the amount budgeted for the then current fiscal year for the current operation and maintenance expenses of the System.

Section 8.02. Interest and Sinking Fund. For the sole purpose of paying the principal of and interest on the Previously Issued Bonds, the Bonds and any Additional Bonds, there is hereby confirmed the establishment on the books of the City, accounted for separate and apart

from all other funds of the City, a separate fund entitled the “City of Mansfield Waterworks and Sewer System Revenue Bonds Interest and Sinking Fund” (the “Interest and Sinking Fund”).

Section 8.03. Reserve Fund. There is hereby confirmed the establishment at the City’s depository bank of a separate fund to be entitled the “City of Mansfield Waterworks and Sewer System Bonds Reserve Fund” (the “Reserve Fund”). The Reserve Fund shall be used to pay the principal of and interest on the Previously Issued Bonds, the Bonds and any Additional Bonds when and to the extent the amounts in the Interest and Sinking Fund available for such payment are insufficient for such purpose, and may be used for the purpose of finally retiring the last of the Previously Issued Bonds, the Bonds and any Additional Bonds. Following the discharge of the Previously Issued Bonds issued prior to the City’s Waterworks and Sewer System Revenue Refunding Bonds, Series 2015 pursuant to Article XII hereof, money on deposit in the Reserve Fund may be applied to the acquisition of a Reserve Fund Surety Bond.

Section 8.04. Deposits of Pledged Revenues. Pledged Revenues shall be credited to or deposited in the Interest and Sinking Fund, the Reserve Fund and other Funds when and as required by this Ordinance and any ordinance authorizing the issuance of the Previously Issued Bonds and any Additional Bonds.

Section 8.05. Investments. Money in any Fund established pursuant to this Ordinance or any ordinance authorizing the issuance of the Previously Issued Bonds and any Additional Bonds, may, at the option of the City, be placed in time deposits or certificates of deposit secured by obligations of the type hereinafter described, or be invested in direct obligations of the United States of America or obligations guaranteed or insured by the United States of America, which, in the opinion of the Attorney General of the United States, are backed by its full faith and credit or represent its general obligations, or invested in obligations of instrumentalities of the United States of America, including, but not limited to, evidences of indebtedness issued, insured, or guaranteed by such governmental agencies as the Federal Land Banks, Federal Intermediate Credit Banks, Banks for Cooperatives, Federal Home Loan Banks, Government National Mortgage Association, United States Postal Service, Farmers Home Administration, Federal Home Loan Mortgage Association, Small Business Administration, Federal Housing Association, or Participation Certificates in the Federal Assets Financing Trust; provided that any such investments are authorized investments for the funds of the City and shall be made in such manner as will, in the opinion of the City, permit the money required to be expended from any Fund to be available at the proper time or times as expected to be needed. Such investments (except United States Treasury Obligations--State and Local Government Series investments held in book entry form, which shall at all times be valued at cost) shall be valued in terms of current market value as of the last day of each fiscal year. Unless otherwise set forth herein, all interest and income derived from such deposits and investments immediately shall be credited to, and any losses debited to, the Fund from which the deposit or investment was made, and surpluses in any Fund shall or may be disposed of as hereinafter provided. Such investments shall be sold promptly when necessary to prevent any default in connection with the Previously Issued Bonds, the Bonds and any Additional Bonds consistent with the respective ordinances authorizing their issuance.

Section 8.06. Funds Secured. Money in all Funds created or confirmed by this Ordinance, to the extent not invested, shall be secured in the manner prescribed by law.

Section 8.07. Priority of Deposits and Payments from System Fund. The City shall make all deposits and payments from the Pledged Revenues in the System Fund when and as required by this Ordinance or ordinances authorizing the Previously Issued Bonds and any Additional Bonds and such deposits shall be made in the following manner and with the following irrevocable priorities, respectively:

- First, to the Interest and Sinking Fund, when and in the amounts required by this Ordinance, the ordinances authorizing the Previously Issued Bonds and any ordinance authorizing any Additional Bonds; and
- Second, to the Reserve Fund, when and in the amounts required by this Ordinance, the ordinances authorizing the Previously Issued Bonds and any ordinance authorizing any Additional Bonds.

Section 8.08. Interest and Sinking Fund Requirements. (a) All amounts representing accrued interest received from the sale and delivery of the Bonds shall be used to pay a portion of the interest next coming due on the Bonds.

(b) In addition to the amounts required by the ordinances authorizing the Previously Issued Bonds and any Additional Bonds, the City shall transfer from the Pledged Revenues and deposit to the credit of the Interest and Sinking Fund the amounts, at the times, as follows:

(1) such amounts, deposited in approximately equal monthly installments on or before the 25th day of each month hereafter, commencing with the month during which the Bonds are delivered, or the month thereafter if delivery is made after the 25th day thereof, as will be sufficient, together with other amounts, if any, then on hand in the Interest and Sinking Fund and available for such purpose, to pay interest scheduled to accrue and come due on the Bonds on the next succeeding Interest Payment Date; and

(2) such amounts, deposited in approximately equal monthly installments on or before the 25th day of each month hereafter, commencing with the month during which the Bonds are delivered, or the month thereafter if delivery is made after the 25th day thereof, as will be sufficient, together with other amounts, if any, then on hand in the Interest and Sinking Fund and available for such purpose, to pay principal scheduled to mature and come due on the Bonds on the next succeeding principal payment date.

Section 8.09. Reserve Fund Requirements. (a) The City shall maintain in the Reserve Fund an amount of money and investments equal to the average annual principal and interest requirements of the Previously Issued Bonds, the Bonds and any Additional Bonds then outstanding (the "Required Reserve Amount"). After the delivery of any Additional Bonds, the City shall cause the Reserve Fund to be increased, if and to the extent necessary, so that such Fund will contain an amount of money and investments equal to the Required Reserve Amount. Any increase in the Required Reserve Amount may be funded from Pledged Revenues or from proceeds from the sale of any Additional Bonds, or any other available source or combination of sources. All or any part of the Required Reserve Amount not funded initially and immediately

after the delivery of any installment or issue of Additional Bonds shall be funded, within not more than five years from the date of such delivery, by deposits of Pledged Revenues in approximately equal monthly installments on or before the 25th day of each month. Principal amounts of any Previously Issued Bonds and any Additional Bonds which must be redeemed pursuant to any applicable mandatory redemption requirements shall be deemed to be maturing amounts of principal for the purpose of calculating principal and interest requirements on such bonds. When and so long as the amount in the Reserve Fund is not less than the Required Reserve Amount no deposits shall be made to the credit of the Reserve Fund; but when and if the Reserve Fund at any time contains less than the Required Reserve Amount, then the City shall transfer from Pledged Revenues in the System Fund, and deposit to the credit of the Reserve Fund, monthly on or before the 25th day of each month, a sum equal to 1/60th of the Required Reserve Amount, until the Reserve Fund is restored to the Required Reserve Amount. The City specifically covenants that when and so long as the Reserve Fund contains the Required Reserve Amount, the City shall cause all interest and income derived from the deposit or investment of the Reserve Fund to be deposited to the credit of the System Fund; provided, that interest and income from moneys representing bond proceeds deposited to the Reserve Fund shall only be used for the same purposes for which such bonds were authorized.

(b) On or before the 25th day of each month, commencing the month following initial delivery of the Bonds, the City shall deposit Pledged Revenues in approximately equal monthly installments sufficient to fund, within five years from the Closing Date, the increase, if any, in the Required Reserve Amount resulting from the issuance of the Bonds.

(c) The Reserve Fund may be funded in the amount of the Required Reserve by the deposit of a Reserve Fund Surety Bond sufficient to provide such portion of the Required Reserve. Following such discharge, the City further expressly reserves the right to substitute at any time a Reserve Fund Surety Bond for any funded amounts in the Reserve Fund and to apply the funds thereby released, to the greatest extent permitted by law, to any of the purposes for which the related parity revenue bonds were issued or to pay debt service on the parity revenue bonds. The City shall not employ any Reserve Fund Surety Bond unless (i) the City officially finds that the purchase of such Reserve Fund Surety Bond is cost effective, (ii) the Reserve Fund Surety Bond does not impose upon the City repayment obligations (in the event the Reserve Fund Surety Bond is drawn upon) greater than can be funded from Pledged Revenues on a parity with the deposits that are otherwise required to be made to the Reserve Fund, and (iii) that any interest due in connection with such repayment obligations does not exceed the highest lawful rate of interest which may be paid by the City at the time of delivery of the Reserve Fund Surety Bond.

Section 8.10. Deficiencies; Excess Pledged Revenues. (a) If on any occasion there shall not be sufficient Pledged Revenues to make the required deposits into the Interest and Sinking Fund or the Reserve Fund, such deficiency shall be made up as soon as possible from the next available Pledged Revenues.

(b) Subject to making the required deposits to the credit of the various Funds when and as required by this Ordinance or any ordinance authorizing the issuance of Previously Issued Bonds or any Additional Bonds, any surplus Pledged Revenues may be used by the City for any lawful purpose.

ARTICLE IX

ADDITIONAL BONDS

Section 9.01. Additional Bonds. The City shall have the right and power at any time and from time to time, and in one or more series or issues, to authorize, issue, and deliver additional parity revenue bonds (herein called “Additional Bonds”), in accordance with law, in any amounts, for any lawful purpose, including the refunding of any Previously Issued Bonds, the Bonds, Additional Bonds, or other obligations. Such Additional Bonds, if and when authorized, issued, and delivered in accordance with this Ordinance, shall be payable from and secured by a lien on and pledge of the Pledged Revenues, equally and ratably on a parity in all respects with the Bonds and any outstanding Previously Issued Bonds or Additional Bonds; provided that, Additional Bonds shall be issued only in accordance with this Ordinance and the ordinances authorizing the issuance of the Previously Issued Bonds, and no installment, series, or issue of Additional Bonds shall be issued or delivered unless:

(a) The principal of all Additional Bonds must be scheduled to be paid or mature on February 1 or August 1 (or both) of the years in which such principal is scheduled to be paid or mature.

(b) The Mayor of the City and the City Secretary of the City sign a written certificate to the effect that the City is not in default as to any covenant, condition, or obligation in connection with all then outstanding Previously Issued Bonds, the Bonds, and any Additional Bonds, and the ordinances authorizing same, and that Interest and Sinking Funds and Reserve Funds created by the ordinances authorizing such Previously Issued Bonds, the Bonds, and any Additional Bonds, contain the amounts then required to be therein.

(c) An independent certified public accountant, or independent firm of certified public accountants, acting by and through a certified public accountant, signs a written certificate to the effect that, in his or her or its opinion, during either the next preceding fiscal year, or any twelve consecutive calendar month period out of the 18-month period immediately preceding the month in which the ordinance authorizing the issuance of the then proposed Additional Bonds is passed, the Pledged Revenues were at least 1.25 times an amount equal to the average annual principal and interest requirements and 1.10 times the maximum annual principal and interest requirements of all Previously Issued Bonds, the Bonds and any Additional Bonds which are scheduled to be outstanding after the delivery of the then proposed Additional Bonds. It is specifically provided, however, that in calculating the amount of Pledged Revenues for the purposes of this subsection (b), if there has been any increase in the rates or charges for services of the System which is then in effect, but which was not in effect during all or any part of the entire period for which the Pledged Revenues are being calculated (hereinafter referred to as the “entire period”) then the certified public accountant, or in lieu of the certified public accountant, a firm of consulting engineers, shall determine and certify the amount of Pledged Revenues as being the total of (i) the actual Pledged Revenues for the entire period, plus (ii) a sum equal to the aggregate amount by which the actual billings to customers of the System during the entire period would have been increased if such increased rates or charges had been in effect during the entire period.

(d) Provision shall be made in the ordinance authorizing the issuance of such Additional Bonds for increasing the Reserve Fund to the Required Reserve Amount as required by Section 8.09 hereof with proceeds of the Additional Bonds, or other available source or combination of sources including Pledged Revenues, or both.

(e) All calculations of average annual principal and interest requirements of any bonds or obligations made in connection with the issuance of any then proposed Additional Bonds shall be made as of the date of such Additional Bonds; and also in making calculations for such purpose, and for any other purpose under this Ordinance, principal amounts of any bonds or obligations which must be redeemed prior to maturity pursuant to any applicable mandatory redemption requirements shall be deemed to be maturing amounts of principal of such bonds or obligations.

ARTICLE X

REPRESENTATIONS AND COVENANTS

Section 10.01. Payment of Bonds and Additional Bonds. Semiannually, on or before each January 25 and July 25 while any of the Previously Issued Bonds, the Bonds and any Additional Bonds are outstanding and unpaid, the City shall make available to the Paying Agent/Registrar therefor, out of the Interest and Sinking Fund, or if necessary, out of the Reserve Fund, money sufficient to pay, on each of such dates, the principal of and interest on the Previously Issued Bonds, the Bonds and any Additional Bonds as the same mature and come due, or to redeem the Previously Issued Bonds, the Bonds and any Additional Bonds prior to maturity, either upon mandatory redemption or at the option of the City. At the direction of the City, the Paying Agent/Registrar shall either deliver cancelled paid Previously Issued Bonds, Bonds and any Additional Bonds to the City or furnish the City with an appropriate certificate of cancellation.

Section 10.02. Rates. The City covenants and agrees with the holders of all the Previously Issued Bonds, the Bonds and any Additional Bonds, if any, as follows:

(a) that it will at all times fix, maintain, charge, and collect for services rendered by the System, rates and charges which will produce Gross Revenues, at least sufficient to pay all expenses of operation and maintenance of the System and to provide an additional amount of Net Revenues to pay promptly all of the principal of and interest on all Previously Issued Bonds, the Bonds and any Additional Bonds, and to make all deposits now or hereafter required to be made into the special funds created by this Ordinance or the ordinance or ordinances authorizing the issuance of Previously Issued Bonds, the Bonds or Additional Bonds, with such amounts being at least equal to 1.1 times the annual principal and interest requirements of all outstanding Previously Issued Bonds, the Bonds and any Additional Bonds; and

(b) that, if the System should become legally liable for any other obligations or indebtedness, the City shall fix, maintain, charge and collect additional rates and charges for services rendered by the System sufficient to establish and maintain funds for the payment thereof.

Section 10.03. General Covenants. The City further covenants and agrees that in accordance with and to the extent required or permitted by law:

(a) Performance. It will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Ordinance, and each ordinance authorizing the issuance of the Previously Issued Bonds and Additional Bonds, and in each and every Previously Issued Bond, Bond and Additional Bond; that it will promptly pay or cause to be paid the principal of and interest on every Previously Issued Bond, Bond and Additional Bond, on the dates and in the places and manner prescribed in such ordinances, Previously Issued Bonds, Bonds and Additional Bonds; and that it will promptly pay or cause to be paid the principal of and interest on every Previously Issued Bond, Bond and Additional Bond, on the dates and in the manner prescribed in such ordinances and Previously Issued Bonds, Bonds and Additional Bonds; and that it will, at the times and in the manner prescribed, deposit or cause to be deposited the amounts required to be deposited into the Interest and Sinking Fund and the Reserve Fund; and any holder of the Previously Issued Bonds, the Bonds or Additional Bonds may require the City, its officials, and employees, to carry out, respect, or enforce the covenants and obligations of this Ordinance, or any ordinance authorizing the issuance of Additional Bonds or Previously Issued Bonds, by all legal and equitable means, including specifically, but without limitation, the use and filing of mandamus proceedings, in any court of competent jurisdiction, against the City, its officials, and employees.

(b) Legal Authority. The City is a duly created and existing home rule city of the State of Texas, and is duly authorized under the laws of the State of Texas to create and issue the Previously Issued Bonds, the Bonds and any Additional Bonds; that all action on its part for the creation and issuance of the said obligations has been or will be duly and effectively taken; and said obligations in the hands of the holders and owners thereof are and will be valid and enforceable special obligations of the City in accordance with their terms.

(c) Title. The City has or will obtain lawful title to the lands, buildings, structures, and facilities constituting the System, and the City warrants that it will defend the title to all the aforesaid lands, buildings, structures, and facilities, and every part thereof, for the benefit of the holders and owners of the Previously Issued Bonds, the Bonds and Additional Bonds, against the claims and demands of all persons whomsoever, and it is lawfully qualified to pledge the Pledged Revenues to the payment of the Previously Issued Bonds, the Bonds and any Additional Bonds in the manner prescribed herein, and has lawfully exercised such rights.

(d) Liens. The City will from time to time and before the same become delinquent pay and discharge all taxes, assessments, and governmental charges, if any, which shall be lawfully imposed upon it, or the System; it will pay all lawful claims for rents, royalties, labor, materials, and supplies which if unpaid might by law become a lien or charge thereon, the lien of which would be prior to or interfere with the liens hereof, so that the priority of the liens granted hereunder shall be fully preserved in the manner provided herein; and it will not create or suffer to be created any mechanic's, laborer's, materialman's, or other lien or charge which might or could be prior to the liens hereof, or do or suffer any matter or thing whereby the liens hereof might or could be impaired; provided, however, no such tax, assessment, or charge, and no such claims which might be used as the basis of a mechanic's, laborer's, materialman's, or other lien

or charge, shall be required to be paid so long as the validity of the same shall be contested in good faith by the City.

(e) Operation of System; No Free Service. While the Previously Issued Bonds, the Bonds or any Additional Bonds are outstanding and unpaid, the City shall continuously and efficiently operate the System, and shall maintain the System, or cause the System to be operated and maintained in good condition, repair, and working order, all at reasonable cost. No free service of the System shall be allowed, and should the City or any of its agencies, instrumentalities, lessors, or concessionaires make use of the services and facilities of the System, payment monthly of the standard retail price of the services provided shall be made by the City or any of its agencies, instrumentalities, lessors, or concessionaires out of funds from sources other than the revenues of the System, unless made from surplus Pledged Revenues as permitted by Section 8.10(b) hereof.

(f) Further Encumbrance. While the Previously Issued Bonds, the Bonds or any Additional Bonds are outstanding and unpaid, the City shall not additionally encumber the Pledged Revenues in any manner, except as permitted in this Ordinance in connection with Additional Bonds, unless said encumbrance is made junior and subordinate in all respects to the liens, pledges, covenants, and agreements of this Ordinance and any ordinance authorizing the issuance of Previously Issued Bonds and any Additional Bonds; but the right of the City to issue revenue bonds payable from a subordinate lien on surplus Pledged Revenues is specifically recognized and retained.

(g) Sale or Disposal of Property. While any Previously Issued Bonds, Bonds or Additional Bonds are outstanding and unpaid, the City shall not sell, convey, mortgage, encumber, lease, or in any manner transfer title to, or dedicate to other use, or otherwise dispose of, the System, (except as permitted in paragraph (f) hereof) or any significant or substantial part thereof; provided that whenever the City deems it necessary to dispose of any property, machinery, fixtures, or equipment, or dedicate such property to other use, it may do so either when it has made arrangements to replace the same or provide substitutes therefor, or it is determined by resolution of the City Council that no such replacement or substitute is necessary.

(h) Insurance.

(1) The City shall cause to be insured such parts of the System as would usually be insured by corporations operating like properties, with a responsible insurance company or companies, against risks, accidents, or casualties against which and to the extent insurance is usually carried by corporations operating like properties, including, to the extent reasonably obtainable, fire and extended coverage insurance, insurance against damage by floods, and use and occupancy insurance. Public liability and property damage insurance also shall be carried unless the City Attorney gives a written opinion to the effect that the City is not liable for claims which would be protected by such insurance. All insurance premiums shall be paid as an expense of operation of the System. At any time while any contractor engaged in construction work shall be fully responsible therefor, the City shall not be required to carry insurance on the work being constructed if the contractor is required to carry appropriate insurance.

All such policies shall be open to the inspection of the registered owners of the Bonds and their representatives at all reasonable times. Upon the happening of any loss or damage covered by insurance from one or more of said causes, the City shall make due proof of loss and shall do all things necessary or desirable to cause the insuring companies to make payment in full directly to the City. The proceeds of insurance covering such property, together with any other funds necessary and available for such purpose, shall be used forthwith by the City for repairing the property damaged or replacing the property destroyed; provided, however, that if said insurance proceeds and other funds are insufficient for such purpose, then said insurance proceeds pertaining to the System shall be deposited in a special and separate trust fund, at an official depository of the City, to be designated the "Insurance Account." The Insurance Account shall be held until such time as other funds become available which, together with the Insurance Account, will be sufficient to make the repairs or replacements originally required.

(2) The annual audit hereinafter required may contain a section commenting on whether or not the City has complied with the requirements of this Section with respect to the maintenance of insurance, and shall state whether or not all insurance premiums upon the insurance policies to which reference is made have been paid.

(i) Annual Budget. The City shall prepare, prior to the beginning of each fiscal year, an annual budget, in accordance with law, reflecting an estimate of cash receipts and disbursements for the ensuing fiscal year in sufficient detail to indicate the probable Gross Revenues and Pledged Revenues for such fiscal year.

(j) Records. The City shall keep proper books of record and account in which full, true, proper, and correct entries will be made of all dealings, activities, and transactions relating to the System, the Pledged Revenues, and the Funds created pursuant to this Ordinance, and all books, documents, and vouchers relating thereto shall at all reasonable times be made available for inspection upon request of any Owner or citizen of the City. To the extent consistent with the provisions of this Ordinance, the City shall keep its books and records in a manner conforming to standard accounting practices as usually would be followed by private corporations owning and operating a similar System, with appropriate recognition being given to essential differences between municipal and corporate accounting practices.

(k) Audits. After the close of each fiscal year while any of the Previously Issued Bonds, the Bonds or Additional Bonds are outstanding, an audit will be made of the books and accounts relating to the System and the Pledged Revenues by an independent certified public accountant or an independent firm of certified public accountants. As soon as practicable after the close of each such year, and when said audit has been completed and made available to the City, a copy of such audit for the preceding year shall be mailed to the Municipal Advisory Council of Texas, to each paying agent for any bonds payable from Pledged Revenues, to any registered owner of the Bonds who shall so request in writing, and to First Southwest Company. The annual audit reports shall be open to the inspection of the registered owners of the

Previously Issued Bonds, the Bonds and any Additional Bonds, and their agents and representatives at all reasonable times.

(l) Governmental Agencies. The City will comply with all of the terms and conditions of any and all franchises, permits, and authorizations applicable to or necessary with respect to the System, and which have been obtained from any governmental agency; and the City has or will obtain and keep in full force and effect all franchises, permits, authorization, and other requirements applicable to or necessary with respect to the acquisition, construction, equipment, operation, and maintenance of the System.

(m) No Competition. The City will not operate, or grant any franchise or, to the extent it legally may, permit the acquisition, construction, or operation of, any facilities which would be in competition with the System, and to the extent that it legally may, the City will prohibit any such competing facilities.

(n) Impact Fees. None of the impact fees collected pursuant to Chapter 395, Local Government Code, and Article V of Chapter 17 of the Code of Ordinances of the City, as amended from time to time, and pledged herein to the payment of the Previously Issued Bonds, the Bonds and any Additional Bonds will be used or expended for an improvement or expansion not identified in the Capital Improvements Plan. This subsection shall constitute the certification required by Section 395.012(d), Local Government Code.

Section 10.04. Provisions Concerning Federal Income Tax Exclusion.

The City intends that the interest on the Bonds be excludable from gross income for federal income tax purposes pursuant to sections 103 and 141 through 150 of the Code and the applicable Treasury Regulations promulgated thereunder (the “Regulations”). The City covenants and agrees not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, would (i) cause the interest on the Bonds to be includable in gross income, as defined in section 61 of the Code, for federal income tax purposes or (ii) result in the violation of or failure to satisfy any provision of sections 103 and 141 through 150 of the Code and the applicable Regulations. In particular, the City covenants and agrees to comply with each requirement of Sections 10.04 through 10.14, inclusive; provided, however, that the City will not be required to comply with any particular requirement of Sections 10.04 through 10.14, inclusive, if the City has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that (i) such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or (ii) compliance with some other requirement will satisfy the applicable requirements of the Code and the Regulations, in which case compliance with such other requirement specified in such Counsel’s Opinion will constitute compliance with the corresponding requirement specified in Sections 10.04 through 10.14, inclusive.

Section 10.05. No Private Use or Payment and No Private Loan Financing.

The City covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further

action as may be required so that the bonds will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations promulgated thereunder. Moreover, the City will certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Refunded Bonds have not been and the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations promulgated thereunder.

Section 10.06. No Federal Guarantee.

The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code and the applicable Regulations thereunder, except as permitted by section 149(b)(3) of the Code and such Regulations.

Section 10.07. No Hedge Bonds.

The City covenants and agrees not to take any action, or knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the applicable Regulations thereunder. Moreover, the City will certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the proceeds of the Refunded Bonds have not been used in a manner that would cause the Refunded Bonds or the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the Regulations promulgated thereunder.

Section 10.08. No Arbitrage.

The City covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder. Moreover, the City will certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Refunded Bonds have not been and the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations promulgated thereunder.

Section 10.09. Arbitrage Rebate.

If the City does not qualify for an exception to the requirements of section 148(f) of the Code relating to the required rebate to the United States, the City will take all steps necessary to comply with the requirement that certain amounts earned by the City on the investment of the “gross proceeds” of the Bonds (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the City will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned

on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the City allocable to other bond issues of the City or moneys that do not represent gross proceeds of any bonds of the City, (ii) determine at such times as are required by the applicable Regulations, the amount earned from the investment of the gross proceeds of the Bonds that is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds, or on such other dates as may be permitted under the applicable Regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

Section 10.10. Information Reporting.

The City covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the Regulations promulgated thereunder.

Section 10.11. Record Retention.

The City will retain all pertinent and material records relating to the use and expenditure of the proceeds of the Refunded Bonds and the Bonds until three years after the last Bond is redeemed, or such shorter period as authorized by subsequent guidance issued by the Department of Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the City to retrieve and reproduce such books and records in the event of an examination of the Bonds by the Internal Revenue Service.

Section 10.12. Registration.

The Bonds will be issued in registered form.

Section 10.13. Deliberate Actions.

The City will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Bonds to fail to meet any requirement of section 141 of the Code after the issue date of the Bonds unless an appropriate remedial action is permitted by section 1.141-12 of the Regulations, the City takes such action, and a Counsel's Opinion is obtained that such remedial action cures any failure to meet the requirements of section 141 of the Code.

Section 10.14. Continuing Obligation.

Notwithstanding any other provision of this Ordinance, the City's obligations under the covenants and provisions of Sections 10.04 through 10.14, inclusive, shall survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the exclusion from gross income of interest on the Bonds for federal income tax purposes.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 11.03. Remedies Not Exclusive. (a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that
