**Subject: The Enclave PD  
Minor Amendment Request**

Dear Mrs. Wong,

With reference to our Planned Development, The Enclave, we would like to request a minor modification by including an additional building elevation. Given the time constraint during our application and current economic status, we feel a better product is needed. The proposed building elevation is a continuing improvement to the PD theme specially the entrance monument and front screening fence. Please note that the proposed elevation is in conformance with the approved PD Ordinances. If you have any questions regarding our request, please let me know.

We certainly appreciate your assistance on this project.

Thanks.

Truly Yours,

MA Engineering & Construction
