Mr. Richard Nevins
Mansfield Economic Development Corporation
301 S. Main St.
Mansfield, TX 76063

Richard,

I respectfully submit my resignation from the position as a member of the Mansfield Economic Development Corporation effective immediately. At the present time, other commitments prevent me from being available to participate at the level I intended and that I would deem appropriate for this position. I would like to thank all involved for the opportunity presented and wish all members of the council and the MEDC the best in all their future endeavors.

Sincerely,
