COMMENTS:	Approved, PD We have worked with the applicant to change the route. They will be leaving out of Lifetime and moving into the neighborhood to the north (Arlington). Their route will take them to Turner Warnell where they will go west eventually out into Tarrant County. The applicant has been very clear that this is not a timed event so all riders should be observing traffic (stop lights, stop signs, etc.) laws along the route. His new route does address all of PD's concerns.
