COMMENTS:	Sgt Hewitt will be the contact person for this event. Additional PD comments, We can restrict traffic on Main at Pleasant Ridge. However, I believe we will still need to allow traffic to and from Town Park for citizens wishing to utilize that facility. We can do just as we have in that past, and close Main St. just south of the park entrance so no traffic can travel beyond that point other than to park as described on their map. I echo Chief Peterson's remark that emergency lanes must be maintained.
