ACKNOWLEDGMENT | Check that you have read and understand each requirement:

- I ACKNOWLEDGE that health permits are approved and issued prior to the event
- I ACKNOWLEDGE that preparation or storage of food in the home is not permitted unless you are a cottage manufacturer.
- I ACKNOWLEDGE that food items served without Regulatory Compliance approval may result in permit suspension.
- I ACKNOWLEDGE that Temporary Food Service Booth Requirements must be in place prior to selling or preparing food. i.e. overhead protection, hand sink and warewashing set up.
- I ACKNOWLEDGE that the \$60 nonrefundable, Temporary Food Permit Application Fee is due with this application.
- I ACKNOWLEDGE that the food booth requirements and understand that failure to comply with City of Mansfield ordinances may result in citations for violations and/or closure of the booth until violations are corrected.
- I ACKNOWLEDGE that the department of Regulatory Compliance may inspect my food establishment during this event for compliance with food safety regulations
- I ACKNOWLEDGE that I have read and understood the Temporary Food Establishment Requirements
- I ACKNOWLEDGE that as a Mobile Food Vendor I must provide a copy of my Fire Inspection Certificate

By signing, I acknowledge that I understand the Temporary Food Service Requirements.

Applicant Signature: **John T Pressley Jr** Digitally signed by John T Pressley Jr Date: 2024.01.01 22:23:51 -06'00' Date: 12/31/2023

TEMPORARY FOOD ESTABLISHMENTS - Temporary food establishments are booth/stands that operate from the same location for no more than fourteen (14) consecutive days in conjunction with a single event or celebration. Distribution of opened beverages or any potentially hazardous food requires a permit from the City of Mansfield Regulatory Compliance Department, which will be posted at the serving booth/stand. Open foods include product sampling.

FOOD AND ICE - Food and ice must be in sound condition, clean, safe and from an approved source. Ice will be dispensed by automatic dispenser or by a food handler using a clean, approved ice scoop. All food and utensils will be properly stored at least six (6) inches off the floor.

FOOD PROTECTION - Storage: All potentially hazardous foods will be held at 41°F or less or at 135°F or above. Reheat foods to 165°F or more. If approved to serve fish/seafood, it shall be kept at 34°F. Wrapped sandwiches stored on ice will be kept dry. All stored foods will be covered and kept at least six (6) inches off the floor. Ice used to cool food/beverages will be continuously drained. Ice for consumption will also be continuously drained or stored in a freezer. Styrofoam ice containers are prohibited. **Display:** Unprotected food and beverages are not permitted. Lids and sneezeguards are required along with insect protection. **Preparation:** Thaw all foods under refrigeration, cold running water or as part of a continuous cooking process. If refrigerated, hot foods will be cooled less than 41°F in less than four (4) hours. Manual handling will be minimized. Food handlers must wash hands and sanitize utensils between handling several types of food, i.e., chicken, beef, salads, etc. Food temperatures will be measured frequently using a food thermometer that reads from 0°F - 220°F. **Service:** Cream, half & half and non-dairy creamers will be chilled and provided in individual containers or protected pour-type pitchers. Condiments must be provided in single serving packets or from automatic dispensers. All other foods shall be provided using disposable single serving articles including samples. **Transportation:** All food transport vehicles will be covered, protected, and refrigerated, if appropriate, to protect food products.

PERSONNEL - All food handlers will wear clean clothes. Hair restraints will be worn, when applicable. Disposable paper towels must be available for hand drying. Eating, drinking, or smoking will be confined to designated areas away from the food preparation and service areas. Hand jewelry, if worn, must be easily sanitized. Insecure jewelry is not permitted. Sick employees are prohibited. Disposable gloves are not a substitute for proper, frequent hand washing. Hand washing requires running water, soap, and individual paper towels. Hand washing is required prior to handling Ready-to-Eat foods. No animals are permitted inside the booth or stand.

FOOD HANDLER CERTIFICATION - All temporary event workers should obtain a food handler's certificate before working at a temporary event. Food handler cards will be available for inspection at the booth/stand where the food handler is working.

CLEANING AND SANITIZING - A soapy water wash, clear water rinse and chemical sanitization is required for all food preparation and handling operations. Three (3) separate plastic or stainless-steel containers of sufficient size to completely immerse all utensils are required for the wash > rinse > sanitize operation. Paper test strips to measure sanitizer levels are required.

PROPER SET UP - Floor-concrete, asphalt, tight-fitting plywood, or another smooth constructed surface is required. Overhead-Waterproof ceiling is required, or roof is required. Screening-Screening is required when food preparation involves extensive handling of raw meat, poultry i.e., cutting, forming hamburger patties, etc.

Shuttle Route March 16, 2024

Shuttles will depart from Legacy High School, travel to barricade at Main Street across from Town Park

Handicap route will depart from Legacy High School, travel to Cardinal to south on North Street and
unload behind main stage on Oak – return to Legacy High School via Van Worth to North to Cardinal

**Mansfield St. Paddy's Day Parade
Staging Maps Only**

North Entry and Staging

Staging area is from Mouser Way to Pleasant Ridge on N. Main St. With each entry limited to 68 feet in length, this will easily accommodate 75 floats.

Each colored line represents one of three staging lines. Total staging length is 2500 feet. This also allows vacant space/lanes between staging lines to number and organize entries. Staging and organizing entries will be monitored by four Mansfield PD Officers assigned to the staging area.

This map does not depict barricade locations, as that information is on the operations and assignments maps.

Staging and Parade Maps

Barricade

Staffed Patrol
Unit

The parade route officially ends in front of FD Station 1. Floats and entries will continue south to designated streets south of FD Station 1 to dismiss. Once the parade entries clear Hunt St., S. Main St. will reopen.

Red lines indicate closed on the street parking.

Maps Updated 11/21/2023

First Name	Last Name	Vendors business Name
Michael	Stephens	Flamingo Freeze Dried Candy C

16. Bexley on Main – 751 N. Main St. (Will have to access from Newt Patterson)
17. Main Street Lofts – 715 N. Main St. (Will have to access from Newt Patterson and come through Bexley)

Staff recommends approval of the application with the stipulation that the following comments are addressed:

Rose Park has never been closed and will not be closed to the public. There is minimal traffic at that time in the morning. There are regular trail walkers that will be difficult to kick off the public trails/ park. When we hosted our Turkey Trot, it started at McKnight park and was a breeze due to additional parking. Let me know if you'd like to explore this, otherwise "2024 Pickle Run" - This appears to be the same route as last year and works fine.

"2024 Parade Route" - Do you know where this map came from? This is not one that we created. I would suggest that you discard this one and only use the parade maps that we provided. It also has the parade starting at Mouser Way, which is incorrect. The parade stages between Mouser Way and Pleasant Ridge, the parade starts at Pleasant Ridge. The maps submitted to Council are the ones staff provided.

"2024 Parade Schedule" - On Saturday's schedule at 9 am, move the shuttle start time back to 9:30. As noted in last year's action report, there were still a lot of runners dispersing in the roadway when the shuttles started running last year. While a big contributor to last year's issue was the shuttles being started earlier than scheduled, there were still pedestrians in the roadway near the shuttle drop off at 9 am. For safety reasons, the shuttles should start at 9:30.

Where it says "Midnight Streets reopen" - 10pm will be the targeted time to have the roadway open.

"Food Vendor List for City 2024" - With the sizing requirements that we discussed, the list contains 6 food vendors that would be considered "2 Spots". There are multiple 40x20 and 30x20 vendor booths. Also, the beer vendors are not listed on the vendor list. If you include the beer vendors and large vendors, there are 26 food vendor spots on their list. The original capped number for food vendors was 20. Staff is also awaiting the maps with vendor locations.

"2024 Special Event Permit" - Page 1 has Gary Fowler as the MPD Contact. Please have Justin Graves as the contact for the Police Department. Page 5 has the roadway open time as 1159pm. Please make this 10 pm instead. Page 6 and 7, I am attaching a revised version of these two pages. The application submitted to Council is one that shows this correction.

"Shuttle" - Please detail the shuttle route for the normal shuttles on the sheet by the end of next week. I will let Council know I am expecting that so it doesn't hinder approval of the parade.

In reference to the Shenanigans Show - As we have seen in a very high profile incident on a movie set recently in the media, the use of black powder guns or replica guns in a performance or show needs to have strict inspection of said weapons. There needs to

be an onsite inspection process of any replica weapon being used in the production and performance of the Shenaniguns show.

TABC - The hours listed on the permit need to coincide with the hours of the event. If the event is scheduled to conclude at 6:30 or 7 on Saturday, the alcohol permit should expire no less than 1/2 hour prior to the end of the event.

The page of road closure signatures is blank. The business owners on Main will need to be notified as well as the residents identified in this packet.

Detailed traffic control plan/detour route be provided a minimum of 2 weeks prior to the event.
