Good Morning,

I am writing in regards to recent allocation of additional funding for the Tobacco Enforcement Program. We are hoping the Mansfield Police Department would be willing to increase their contractual amount:

From: \$3,900.00 – 52 Controlled Buy/Stings

To: \$6,900.00 – 92 Controlled Buy/Stings

This is an increase of 40 controlled buy/stings, and will give the Mansfield Police Department 204% coverage of tobacco retail outlets in their respective area.

Please do not hesitate to call me on my direct line listed below if you are interested, or have any questions.

Thank you,

Alexia Cox
