

**ECONOMIC DEVELOPMENT AND PERFORMANCE AGREEMENT BETWEEN THE  
MANSFIELD ECONOMIC DEVELOPMENT CORPORATION AND  
MEXUS PLASTICS, L.L.C.**

This Economic Development Agreement ("Agreement") is made and entered into by and between the MANSFIELD ECONOMIC DEVELOPMENT CORPORATION (the "Corporation"), a nonprofit corporation organized under Title 12, Subtitle C1, of the Texas Local Government Code, and MEXUS PLASTICS, L.L.C. ("Mexus Plastics"), a Texas limited liability company, for the purposes and considerations stated below:

**RECITALS:**

1. Mexus Plastics is the current owner or lessee of a certain tract of land located at 167 Sentry Dr. within the corporate limits of the City of Mansfield ("City") (hereafter referred to as the "Property").

2. Mexus Plastics intends to make a capital investment in the Property of at least \$250,000 which will result in the upgrading and/or expansion of the facility located on the Property as well as the relocation of Mexus Plastics's business to the Property and the creation of additional primary jobs at the Property.

3. The Corporation has determined and found that requested grant will be used to fund a "project" as defined in Section 501.101 of the Texas Local Government Code; specifically, that the expenditure of the Corporation will be used for land, buildings and improvements that are for the creation of primary jobs and that are required or suitable for the development, retention or expansion of a manufacturing and industrial facility.

4. The Corporation, which has determined that substantial economic benefit and the creation of new opportunities of employment will accrue to the City as a result of Mexus Plastics's capital investment in the Property, desires to have Mexus Plastics make the capital investment in the Property. This project will increase the taxable value of the Property and will directly result in the creation of Primary Jobs on the Property and will indirectly result in the creation of additional jobs throughout the City. As a consequence, the value of the benefits of the Project (as defined herein) will substantially outweigh the amount of expenditures required of the Corporation under this Agreement.

5. The Corporation, to encourage the development and operation of the Property and to obtain the benefits stated in this Agreement, desires to participate in the funding of the cost of certain improvements (hereinafter defined) which are necessary in order for Mexus Plastics to make the capital investment in the Property and to operate the Facility as hereinafter set forth, which will aid and promote economic development in the City.

NOW THEREFORE, in consideration of the mutual benefits and promises contained herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

If the noncompliance is not cured within that period, or an agreement on a time frame to come into compliance is not reached with the Corporation, Mexus Plastics will forfeit its right to reimbursement by the Corporation. In the event Mexus Plastics's uncured noncompliance occurs after a grant of funds is received, Mexus Plastics shall immediately upon demand repay the Corporation an amount equal to the grant of funds received by Mexus Plastics under this Agreement plus ten percent (10%) interest per annum which shall accrue from the date of default until the date the debt is repaid in full.

c. Mexus Plastics covenants and certifies that it does not and will not knowingly employ an undocumented worker as that term is defined by Section 2264.01(4) of the Texas Government Code. 5. **Payments by Corporation.**

The Corporation shall reimburse Mexus Plastics for the cost of the Improvements not to exceed Twenty Thousand Dollars (\$20,000) to be reimbursed to Mexus Plastics upon the acceptance of the Improvements by the City and the demonstration by Mexus Plastics of proof of costs equaling or exceeding such sum.

6. **Improvements.**
