August 29, 2017

Southern Champion Tray formally requests extension for the certificate of occupancy related to our expansion project to December 31, 2017.

Although the project is moving along we have experienced significant delays related to weather and some unforeseen events renovating a 40+ year old building.

We sincerely appreciate the partnership we have with the City of Mansfield and MEDC as we continue to mutually grow.

Sincerely,

John Simpson
General Manager
