The Youth Sports Organization above consents to an amendment to the City of Mansfield's Maintenance and Operations Agreement (MOA) for the Big League Dreams Sports Park changing the procedure for the sale of beer and wine during and after youth games. The MOA now provides:

"No alcoholic beverages of any kind will be served anywhere within the Big League Dreams Mansfield Sports Park if a youth game is being played anywhere in the facility and for one hour thereafter."

To enable greater scheduling flexibility for youth games played when adult games are also being played, particularly in make-up game situations, the MOA would be amended to establish a new procedure as follows:

"No alcoholic beverages may be sold from the Food and Beverage Facility located within a given Pod [i.e., the four fields around one restaurant] during any Youth Game being played at any Diamond located within such Pod (or for one hour thereafter) unless the youth organization sponsoring the Youth Game consents to such sales in writing. Also, no alcoholic beverages may be sold from the concession stand located within the Fieldhouse during any Youth Game being played at the Fieldhouse unless the youth organization sponsoring the Youth Game consents to such sales in writing. If Youth Games are only being played at one Pod, alcoholic beverages [beer and wine only] may be sold from the Food and Beverage Facility located within the other Pod and from the concession stand at the Fieldhouse. If Youth Games are being played only at the Fieldhouse, alcoholic beverages [beer and wine only] may be sold from both Food and Beverage Facilities."

Sales of beer and wine by Big League Dreams shall comply with all rules of the Texas Alcoholic Beverage Commission and the consent hereby granted shall not be deemed to impose any legal liability on the Youth Sports Organization.
