

EXHIBIT “A”

CITY OF MANSFIELD YOUTH PROGRAM - KIDS ZONE 2016 STANDARDS OF CARE

The following Standards of Care have been adopted by the City Council of the City of Mansfield, Texas in order to comply with Senate Bill 212 as approved by the Texas Legislature during the 74th legislative session. The Standards of Care are intended to be minimum standards by which the City of Mansfield Parks and Recreation Department will operate the City's Youth Kids Zone Program. **The programs operated by the City are recreational in nature and are not day care programs.**

GENERAL ADMINISTRATION

1. Organization

- A. The governing body of the City of Mansfield Youth Program is the Mansfield City Council.
- B. Implementation of the Youth Program's Standards of Care is the responsibility of the Recreation Department Supervisor and Departmental employees.
- C. Youth Program ("Program") to which these Standards of Care will apply is the Kids Zone Program.
- D. Each Youth Program site will have available for public and staff review a current copy of the Standards of Care.
- E. Parents of participants will have access to a current copy of the Standards of Care during the registration process.
- F. Criminal background checks will be conducted on prospective Program employees. If results of that criminal check indicate that an applicant has been convicted of any of the following offenses, he or she will not be considered for employment:
 - (1) a felony or a misdemeanor classified as an offense against a person or family;
 - (2) a felony or misdemeanor classified as public indecency;
 - (3) a felony or misdemeanor violation of any law intended to control the possession or distribution of any controlled substance;
 - (4) any offense involving moral turpitude;
 - (5) any offense that would potentially put youth participants or the City of Mansfield at risk.

2. Definitions

 - (2) Illnesses and injuries will be handled in a manner to protect the health of all participants and employees.
 - (3) Program employees will follow plans to provide emergency care for injured participants with symptoms of an acute illness as specified in the Program Manual.
 - (4) Program employees will follow the recommendation of the Texas Department of Health concerning the admission or readmission of any participant after a communicable disease.
- B. Program employees will administer medication only if:
 - (1) Parent(s) complete and sign a medication form that provides authorization for staff to dispense medication with details as to time and dosages. The form will include a hold harmless clause to protect the City.
 - (2) Prescription medications are in the original containers labeled with the child's name, a date, directions, and the physician's name. Program employees will administer the medication only as stated on the label. Program employees will not administer medication after the expiration date.
 - (3) Nonprescription medications are labeled with the child's name and the date the medication was brought to the Program. Nonprescription medication must be in the original container. Program employees will administer it only according to label directions.
 - (4) Medication dispensed will be limited to routine oral ingestion not requiring special knowledge or skills on the part of Program employees. No injections will be administered by the Program employees.

- (5) Program employees must ensure medications are inaccessible to participants or, if it is necessary to keep medications in the refrigerator (when available), medications will be kept separate from food.

C. Toilet Facilities

- (1) The Program site will have inside toilets located and equipped so children can use them independently and Program staff can supervise as needed.
- (2) There must be one flush toilet for every 30 children. Urinals may be counted in the ratio of toilets to children, but they must not exceed 50% of the total number of toilets.
- (3) An appropriate and adequate number of lavatories will be provided.

D. Sanitation

- (1) The Program facilities must have adequate light, ventilation, and heat.
- (2) The Program must have an adequate supply of water meeting the standards of the Texas Department of Health for drinking water and ensure that it will be supplied to the participants in a safe and sanitary manner.
- (3) Program employees must see that garbage is removed from buildings daily.
