**ARTICLE II  
SECURITY FOR THE BONDS**

Section 2.01 Confirmation and Levy of Sales Tax.

(a) The Corporation hereby confirms the earlier levy by the City of the Sales Tax at the rate voted at the election held by and within the City on January 18, 1997, and the Corporation hereby warrants and represents that the City has duly and lawfully ordered the imposition and collection of the Sales Tax upon all sales, uses and transactions as are permitted by and described in the Act throughout the boundaries of the City as such boundaries existed on the date of said election and as they may be expanded from time to time.

(b) For so long as any Previously Issued Senior Lien Bonds or Parity New Series Revenue Obligations are outstanding, the Corporation covenants, agrees and warrants to take and pursue all action permissible under applicable law to cause the Sales Tax, at said rate, or at a higher rate if permitted by applicable law, to be levied and collected continuously, in the manner and to the maximum extent permitted by applicable law, and to cause no reduction, abatement or exemption in the Sales Tax or rate of tax below the rate stated, confirmed and ordered in subsection (a) of this Section to be ordered or permitted so long as any Previously Issued Senior Lien Bonds or Parity New Series Revenue Obligations shall remain outstanding.

(c) If the City shall be authorized hereafter by applicable law to apply, impose and levy the Sales Tax on any taxable items or transactions that are not subject to the Sales Tax on the date of the adoption hereof, the Corporation, to the extent it legally may do so; hereby covenants and agrees to use its best efforts to cause the City to take such action as may be required by applicable law to subject such taxable items or transactions to the Sales Tax.

(d) The Corporation agrees to take and pursue all action permissible under applicable law to cause the Sales Tax to be collected and remitted and deposited as herein required and as required by the Act, at the earliest and most frequent times permitted by applicable law.

(e) The Corporation agrees and covenants at all times, and to use its best efforts to cause the City, to comply with the Sales Tax Collection Resolution.

Section 2.02 Pledge.

(a) The Corporation hereby irrevocably pledges (i) the Pledged Revenues, and (ii) the Pledged Funds (A) to the payment of the principal of, and the interest and any premiums on,

(B) all Parity New Series Revenue Obligations which are or may be outstanding from time to time, and (C) to the establishment and maintenance of the New Series Reserve Fund.

(b) The provisions, covenants, pledge and lien on and against the Pledged Revenues, as herein set forth, are established and shall be for the equal benefit, protection and security of the Owners of the Parity New Series Revenue Obligations without distinction as to priority and rights.

(c) The Parity New Series Revenue Obligations, including interest payable thereon, shall constitute special obligations of the Corporation, payable solely from and secured by an irrevocable lien on and pledge of the Pledged Revenues and Pledged Funds, and not from any other revenues, properties or income of the Corporation, such lien and pledge, however, being in all things junior and subordinate to the lien on and pledge of the Pledged Revenues and Pledged Funds made for the security and payment of the Previously Issued Senior Lien Bonds and to the deposits required by the Previously Issued Senior Lien Bond Resolution to be made to the various funds and accounts as security for the Previously Issued Senior Lien Bonds. Provided further, however, at such time as all of the Previously Issued Senior Lien Bonds are no longer outstanding, the Parity New Series Revenue Obligations shall be equally and ratably secured by and payable from an irrevocable first lien on and pledge of the Pledged Revenues. Parity New Series Revenue Obligations shall not constitute debts or obligations of the State or of the City, and the Owners of the Parity New Series Revenue Obligations shall never have the right to demand payment out of any funds raised or to be raised by ad valorem taxation. The Parity New Series Revenue Obligations do not give rise to a claim for payment against the City except as to Sales Tax Revenues held by the City and required by the Act to be paid over to the Corporation.

#### Section 2.03 Resolution as Security Agreement.

(a) An executed copy of this Resolution shall constitute a security agreement pursuant to applicable law, with the Owners as the secured parties. The lien, pledge, and security interest of the Owners created in this Resolution shall become effective immediately upon the Closing Date of the Bonds, and the same shall be continuously effective for so long as any Bonds are outstanding.

(b) A fully executed copy of this Resolution and the proceedings authorizing it shall be filed as a security agreement among the permanent records of the Corporation. Such records shall be open for inspection to any member of the general public and to any person proposing to do or doing business with, or asserting claims against, the Corporation, at all times during regular business hours.

#### Section 2.04 Application of Chapter 1208, Government Code.

Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of the revenues granted by the Corporation under Section 2.02 of this Resolution, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the revenues granted by the Corporation under Section 2.02 of this Resolution is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the

perfection of the security interest in said pledge, the Corporation agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver registered definitive Bonds to DTC in accordance with Section 3.10 hereof.

#### Section 3.05 Ownership.

(a) The Corporation, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof and premium, if any, thereon, for the further purpose of making and receiving payment of the interest thereon (subject to the provisions herein that interest is to be paid to the person in whose name the Bond is registered on the Record Date), and for all other purposes, whether or not such Bond is overdue, and neither

the Corporation nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the person deemed to be the Owner of any Bond in accordance with this Section shall be valid and effectual and shall discharge the liability of the Corporation and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

#### Section 3.06 Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the Corporation shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Resolution.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) Each exchange Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the Corporation and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for any different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the Corporation nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond called for redemption, in whole or in part, where such redemption is scheduled to occur within forty-five (45) calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

#### Section 3.07 Cancellation and Authentication.

(a) All Bonds paid or redeemed before scheduled maturity in accordance with this Resolution, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Resolution, shall be cancelled and destroyed

upon the making of proper records regarding such payment, redemption, exchange or replacement. The Paying Agent/Registrar shall dispose of the cancelled Bonds in accordance with the Securities Exchange Act of 1934.

(b) Each substitute or replacement Bond issued pursuant to the provisions of Sections 3.06 and 3.09 of this Resolution, in conversion of and exchange for or replacement of any Bond or Bonds issued under this Resolution, shall have printed thereon a Paying Agent/Registrar's Authentication Certificate, in the form hereinafter set forth. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, manually sign and date such Certificate, and no such Bond shall be deemed to be issued or outstanding unless such Certificate is so executed. No additional ordinances, orders, or resolutions need be passed or adopted by the Corporation, the governing body of the City, or any other body or person so as to accomplish the foregoing conversion and exchange or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Bonds in the manner prescribed herein, and said Bonds shall be of customary type and composition and be printed on paper with lithographed or steel engraved borders of customary weight and strength. Pursuant to the Texas Public Securities Procedures Act (Texas Government Code, Chapter 1201, as amended), and particularly Subchapter D thereof, the duty of conversion and exchange or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the above Paying Agent/Registrar's Authentication Certificate, the converted and exchanged or replaced Bonds shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Initial Bond which was originally delivered pursuant to this Resolution, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(c) Bonds issued in conversion and exchange or replacement of any other Bond or portion thereof, (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the registered owners thereof, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed and sealed, and (vii) the principal of and interest on the Bonds shall be payable, all as provided, and in the manner required or indicated, in the Form of Bonds set forth in this Resolution.

#### Section 3.08 Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the Corporation may execute and, upon the Corporation's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the Corporation executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Resolution.

(c) The Corporation, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

### Section 3.09 Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar, at the Designated Payment/Transfer Office, of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The Corporation or the Paying Agent/ Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected herewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Corporation to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the Corporation and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the Corporation and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Corporation or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original contractual obligation of the Corporation and shall be entitled to the benefits and security of this Resolution to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

#### Section 3.10 Book-Entry Only System.

(a) The definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and, except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Corporation and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Resolution. Without limiting the immediately preceding sentence, the Corporation and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Resolution to the contrary, the Corporation and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Resolution, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Corporation's obligations with respect to payment of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the Corporation to make payments of amounts due pursuant to this Resolution. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Resolution with respect to interest checks or drafts being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Resolution shall refer to such new nominee of DTC.

(c) The execution and delivery of the Representation Letter is hereby approved with such changes as may be approved by the Corporation and the President or Vice President is hereby authorized and directed to execute such Representation Letter.

**Section 3.11 Successor Securities Depository; Transfer Outside.**

In the event that the Corporation or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the Corporation or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Resolution.

**Section 3.12 Payments to Cede & Co.**

Notwithstanding any other provision of this Resolution to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

**ARTICLE IV  
REDEMPTION OF BONDS BEFORE MATURITY**

**Section 4.01 Limitation on Redemption.**

The Bonds shall be subject to redemption before scheduled maturity only as provided in this Article IV.

**Section 4.02 Optional Redemption.**

(a) The Corporation reserves the option to redeem Bonds maturing on and after August 1, 2035, in whole or in part, before their scheduled maturity date, in integral multiples of \$5,000, on August 1, 2034, or on any date thereafter (such redemption date or dates to be fixed by the Corporation), at a price equal to the principal amount of the Bonds called for redemption plus accrued interest from the most recent interest payment date on which interest has been paid or duly provided for to the redemption date.

(b) The Corporation further reserves the option to redeem Bonds maturing on and after August 1, 2050, in whole or in part, before their scheduled maturity date, in integral multiples of \$5,000, on August 1, 2030, or on any date thereafter (such redemption date or dates to be fixed by the Corporation), at a price equal to the principal amount of the Bonds called for redemption plus accrued interest from the most recent interest payment date on which interest has been paid or duly provided for to the redemption date.

(c) The Corporation, at least 45 days before the redemption date (unless a shorter period shall be satisfactory to the Paying Agent/Registrar), shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

(b) At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption.

(c) In lieu of calling the Term Bonds described above, for mandatory redemption, the Corporation reserves the right to purchase such Term Bonds at a price not exceeding the principal amount thereof, plus accrued interest, with (a) moneys on deposit in the Interest and Sinking Fund which are available for the mandatory redemption of such Term Bonds or (b) other lawfully available funds. Upon any such purchase in lieu of redemption, not less than forty-five (45) days prior to a mandatory redemption date, the Corporation shall deliver such Term Bonds to the Paying Agent/Registrar prior to the selection of the Term Bonds for redemption and the principal amount so delivered shall be credited against the amount required to be called for redemption in that year.

#### Section 4.04 Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Section 4.02, the Corporation shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot Bonds, or portions thereof within such maturity or maturities and in such principal amounts, for redemption.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. The Paying Agent/Registrar shall treat each \$5,000 portion of the Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Resolution, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, and such exchange shall be without charge, notwithstanding any provision of Section 3.06 to the contrary.

(d) The Paying Agent/Registrar shall promptly notify the Corporation in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

#### Section 4.05 Notice of Redemption to Owners.

(a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by United States mail, first class postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register at the close of business on the business day next preceding the date of mailing of such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

#### Section 4.06 Payment Upon Redemption.

(a) Before or on each redemption date, the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Interest and Sinking Fund or otherwise received by the Paying Agent/Registrar from the Corporation sufficient to pay the principal of, premium, if any, and accrued interest on such Bonds.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, premium, if any, and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

#### Section 4.07 Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.05 of this Resolution, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the Corporation defaults in the payment of the principal thereof, premium, if any, or accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the Corporation shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same by the Corporation.

#### Section 4.08 Conditional Notice of Redemption.

The Corporation reserves the right, in the case of an optional redemption pursuant to Section 4.02 herein, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the Corporation retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the Corporation delivers a certificate of the Corporation to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional

redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the Corporation to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

or registered assigns, on the Maturity Date specified above, the sum of

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Closing Date specified above or the most recent interest payment date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on February 1 and August 1 of each year, commencing August 1, 2025.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Dallas, Texas (the "Designated Payment/Transfer Office"), of U.S. Bank National Association as initial Paying Agent/Registrar, or, with respect to a successor

Interest on this Bond is payable by check dated as of the interest payment date, mailed by the Paying Agent/Registrar to the registered owner at the address shown on the registration books kept by the Paying Agent/Registrar or by such other customary banking arrangements acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the 15th day of the month next preceding such interest payment date; provided, however, that in the event of nonpayment of interest on a scheduled interest payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Corporation. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date" which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last business day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond dated December 1, 2024, is one of a series of fully registered bonds specified in the title hereof issued in the aggregate principal amount of \$\_\_\_\_\_ (herein referred to as the "Bonds"), issued pursuant to a certain Resolution of the Board of Directors of the Corporation (the "Resolution") for the purpose of: (i) designing, developing and constructing a professional multi-sport stadium and related infrastructure (the "Project"); (ii) acquiring a New Series Reserve Fund Surety Bond for deposit in the New Series 2025 Tax-Exempt Reserve Fund; (iii) paying capitalized interest on the Bonds; and (iv) paying the costs of issuing the Bonds.

The provisions, covenants, pledge and lien on and against the Pledged Revenues, as herein set forth, are established and shall be for the equal benefit, protection and security of the Owners of the Parity New Series Revenue Obligations without distinction as to priority and rights.

The Parity New Series Revenue Obligations, including interest payable thereon, shall constitute special obligations of the Corporation, payable solely from and secured by an irrevocable lien on and pledge of the Pledged Revenues and Pledged Funds, and not from any other revenues, properties or income of the Corporation, such lien and pledge, however, being in all things junior and subordinate to the lien on and pledge of the Pledged Revenues and Pledged Funds made for the security and payment of the Previously Issued Senior Lien Bonds and to the deposits required by the Previously Issued Senior Lien Bond Resolution to be made to the various funds and accounts as security for the Previously Issued Senior Lien Bonds. Provided further, however, at such time as all of the Previously Issued Senior Lien Bonds are no longer

outstanding, the Parity New Series Revenue Obligations shall be equally and ratably secured by and payable from an irrevocable first lien on and pledge of the Pledged Revenues. Parity New Series Revenue Obligations shall not constitute debts or obligations of the State or of the City, and the Owners of the Parity New Series Revenue Obligations shall never have the right to demand payment out of any funds raised or to be raised by ad valorem taxation. The Parity New Series Revenue Obligations do not give rise to a claim for payment against the City except as to Sales Tax Revenues held by the City and required by the Act to be paid over to the Corporation.

The Corporation expressly reserves the right to issue further and additional special revenue obligations on a parity with the bonds of this issue and the previously issued parity revenue obligations; provided, however, that any and all such additional parity obligations may be issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Resolution, to which reference is hereby made for more complete and full particulars.

The Corporation reserves the option to redeem Bonds maturing on and after August 1, 2035, in whole or in part, before their scheduled maturity date, in integral multiples of \$5,000, on August 1, 2034, or on any date thereafter (such redemption date or dates to be fixed by the Corporation), at a price equal to the principal amount of the Bonds called for redemption plus accrued interest from the most recent interest payment date on which interest has been paid or duly provided for to the redemption date.

The Corporation further reserves the option to redeem Bonds maturing on and after August 1, 2050, in whole or in part, before their scheduled maturity date, in integral multiples of \$5,000, on August 1, 2030, or on any date thereafter (such redemption date or dates to be fixed by the Corporation), at a price equal to the principal amount of the Bonds called for redemption plus accrued interest from the most recent interest payment date on which interest has been paid or duly provided for to the redemption date.

The Bonds maturing August 1, 20\_\_, August 1, 20\_\_ and August 1, 20\_\_ (the "Term Bonds") are subject to scheduled mandatory redemption and will be redeemed by the Corporation, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund, on the dates and in the respective principal amounts as set forth below.

At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in the Resolution.

In lieu of calling the Term Bonds described above, for mandatory redemption, the Corporation reserves the right to purchase such Term Bonds at a price not exceeding the principal amount thereof, plus accrued interest, with (a) moneys on deposit in the Interest and Sinking Fund which are available for the mandatory redemption of such Term Bonds or (b) other lawfully available funds. Upon any such purchase in lieu of redemption, not less than forty-five (45) days prior to a mandatory redemption date, the Corporation shall deliver such Term Bonds to the Paying Agent/Registrar prior to the selection of the Term Bonds for redemption and the principal amount so delivered shall be credited against the amount required to be called for redemption in that year.

Notice of such redemption or redemptions shall be given by first class mail, postage prepaid, not less than thirty (30) days before the date fixed for redemption, to the registered owner of each of the Bonds to be redeemed in whole or in part. Notice having been so given, the Bonds or portions thereof designated for redemption shall become due and payable on the redemption date specified in such notice; from and after such date, notwithstanding that any of the Bonds or portions thereof so called for redemption shall not have been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.

The Corporation reserves the right, in the case of an optional redemption pursuant to the provisions of the Resolution, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the Corporation retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the Corporation delivers a certificate of the Corporation to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the Corporation to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

As provided in the Resolution, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar, and, thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Corporation, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the Corporation nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the Corporation, including the Bonds, does not exceed any constitutional or statutory limitation.

IN WITNESS WHEREOF, this Bond has been duly executed on behalf of the Corporation, under its official seal.

(c) Any proceeds of the Bonds not required for the purposes for which the Bonds are issued shall be deposited to the New Series Debt Service Fund.

Section 8.05 New Series 2025 Tax-Exempt Bonds Reserve Fund.

(a) There is hereby created and ordered held at a depository bank of the Corporation, for the benefit of the Bonds, the New Series 2025 Tax-Exempt Bonds Reserve Fund. As provided in Section 8.03, the Corporation shall deposit and credit to the New Series 2025 Tax-Exempt Bonds Reserve Fund amounts required to maintain the balance in the New Series 2025 Tax-Exempt Bonds Reserve Fund in an amount equal to the maximum annual debt service requirements of the Bonds (the "Required Reserve"). The maximum annual debt service requirements of the Bonds shall be calculated by the Corporation on the date of issuance of the Bonds and on each October 1 thereafter, and the Required Reserve to be maintained in the New Series 2025 Tax-Exempt Bonds Reserve Fund after each such calculation shall be the amount determined by such calculation.

(b) All funds, investments and New Series Reserve Fund Surety Bonds on deposit and credited to the New Series 2025 Tax-Exempt Bonds Reserve Fund shall be used solely for (i) the payment of the principal of and interest on the Bonds, when and to the extent other funds available for such purposes are insufficient, (ii) to make payments due under a New Series Reserve Fund Surety Bond and (iii) with respect to funds and investments on deposit and credited to the New Series 2025 Tax-Exempt Bonds Reserve Fund other than New Series Reserve Fund Surety Bonds, to retire the last maturity of or interest on the Bonds.

(c) When and for so long as the cash, investments and New Series Reserve Fund Surety Bonds in the New Series 2025 Tax-Exempt Bonds Reserve Fund equal the Required Reserve, no deposits need be made to the credit of the New Series 2025 Tax-Exempt Bonds Reserve Fund. If the New Series 2025 Tax-Exempt Bonds Reserve Fund at any time contains less than the Required Reserve, the Corporation covenants and agrees that the Corporation shall cure the deficiency in the New Series 2025 Tax-Exempt Bonds Reserve Fund by making deposits to such Fund from the Pledged Revenues in accordance with Section 8.03 by monthly deposits and credits in amounts equal to not less than 1/60th of the Required Reserve with any such deficiency payments being made on or before the last day of each month until the Required Reserve has been fully restored; provided, however, that no such deposits shall be made into the New Series 2025 Tax-Exempt Bonds Reserve Fund during any six-month period beginning on February 1 and August 1 until there has been deposited into the New Series Debt Service Fund the full amount required to be deposited therein by the next following February 1 and August 1, as the case may be. In addition, in the event that a portion of the Required Reserve is represented by a New Series Reserve Fund Surety Bond, the Required Reserve and deposits to the New Series 2025 Tax-Exempt Bonds Reserve Fund shall take into account such value of the New Series Reserve Fund Surety Bond. The Corporation further covenants and agrees that, subject only to the prior deposits and credits for the Previously Issued Senior Lien Bonds and to be made to the New Series Debt Service Fund, the Pledged Revenues shall be applied, appropriated and used to establish and maintain the Required Reserve, including by paying payments under a New Series Reserve Fund Surety Bond when due, and any reserve established for the benefit of any issue or series of Additional Parity New Series Revenue Obligations and to cure any deficiency in such amounts as required by the terms of this Resolution and any other Resolution pertaining to the issuance of Additional Parity New Series Revenue Obligations. Reimbursements to any provider of a New Series Reserve Fund Surety Bond shall constitute the curing of a deficiency in the New Series 2025 Tax-Exempt Bonds Reserve Fund to the extent that such reimbursements

result in the reinstatement, in whole or in part, as the case may be, of the amount of the New Series Reserve Fund Surety Bond to the Required Reserve.

(d) Earnings and income derived from the investment of amounts held for the credit of the New Series 2025 Tax-Exempt Bonds Reserve Fund shall be retained in the New Series 2025 Tax-Exempt Bonds Reserve Fund until the New Series 2025 Tax-Exempt Bonds Reserve Fund contains the Required Reserve. During such time as the New Series 2025 Tax-Exempt Bonds Reserve Fund contains the Required Reserve or any cash or investment is replaced with a New Series Reserve Fund Surety Bond pursuant to subsection (e) below, the Corporation may, at its option, withdraw funds that are in excess of the Required Reserve and deposit such surplus in the Gross Sales Tax Revenue Fund; provided that the face amount of any New Series Reserve Fund Surety Bond may be reduced at the option of the Corporation in lieu of such withdrawal of excess funds. Notwithstanding the foregoing, any surplus funds in excess of the Required Reserve that consist of gross proceeds of the Bonds or interest thereon shall be used for purposes for which the Bonds were issued or deposited to the New Series Debt Service Fund.

(e) The Corporation may, at any time, deposit, supplement, replace or substitute a New Series Reserve Fund Surety Bond for cash or investments on deposit in the New Series 2025 Tax-Exempt Bonds Reserve Fund or in substitution for or replacement of any existing New Series Reserve Fund Surety Bond.

(f) If the Corporation is required to make a withdrawal from the New Series 2025 Tax-Exempt Bonds Reserve Fund for any of the purposes described in this Section, the Corporation shall promptly notify the issuer of such New Series Reserve Fund Surety Bond of the necessity for a withdrawal from the New Series 2025 Tax-Exempt Bonds Reserve Fund for any such purposes, and shall make such withdrawal first from available moneys or permitted investments then on deposit in the New Series 2025 Tax-Exempt Bonds Reserve Fund, and next from a drawing under any New Series Reserve Fund Surety Bond to the extent of any deficiency.

(g) In the event there is a draw upon the New Series Reserve Fund Surety Bond, the Corporation shall reimburse the provider of such New Series Reserve Fund Surety Bond for such draw, in accordance with the terms of any agreement pursuant to which the New Series Reserve Fund Surety Bond is used, from Pledged Revenues; however, such reimbursement from Pledged Revenues shall be in accordance with the provisions of Section 8.03 hereof and shall be subordinate and junior in right of payment to the payment of principal of and premium, if any, and interest on the then Outstanding New Series Parity Revenue Obligations.

(h) The Corporation may create and establish a debt service reserve fund pursuant to any resolution or resolutions authorizing the issuance of New Series Parity Revenue Obligations for the purpose of security that series of New Series Parity Revenue Obligations or any specific series of New Series Parity Revenue Obligations; the amounts once deposited or credited to said debt service reserve funds shall no longer constitute Pledged Revenues and shall be held solely for the benefit of the owners of the series of New Series Parity Revenue Obligations for which such debt service reserve fund was established. Each such debt service reserve fund shall be designated in such manner as is necessary to identify the New Series Parity Revenue Obligations it secures and to distinguish such debt service reserve fund from the debt service reserve funds created for the benefit of other New Series Parity Revenue Obligations.

(i) In connection with the issuance of the Bonds, the New Series 2025 Tax-Exempt Bonds Reserve Fund shall be funded with a New Series Reserve Fund Surety Bond (the "Reserve Policy") from \_\_\_\_\_ (the "Insurer"). Any Authorized Officer is authorized to execute the New Series 2025 Tax-Exempt Bonds Debt Service Reserve Agreement in substantially the form presented at this meeting.

Section 8.06 Deficiencies in Funds.

If the Corporation shall, for any reason, fail to pay into the New Series Debt Service Fund or New Series Reserve Fund the full amounts above stipulated, amounts equivalent to such deficiencies shall be set apart and paid into said funds from the first available revenues of the Corporation and such payments shall be in addition to the amounts hereinabove provided to be otherwise paid into said funds.

Section 8.07 Security of Funds.

All moneys on deposit in the funds referred to in this Resolution shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of funds of the City, and moneys on deposit in such funds shall be used only for the purposes permitted by this Resolution.

Section 8.08 Investments.

(a) Money in the funds established by this Resolution, the resolution authorizing the Previously Issued Senior Lien Bonds or any resolution authorizing the issuance of any Additional Parity New Series Revenue Obligations, at the option of the Corporation, may be invested in such securities or obligations as permitted under the laws of the State of Texas applicable to the City.

(b) Any securities or obligations in which money is so invested shall be sold and the proceeds of sale shall be timely applied to the making of all payments required to be made from the fund from which the investment was made.

Section 8.09 Investment Income.

Interest and income derived from investment of any fund created by this Resolution shall be credited to such fund.

**ARTICLE IX  
ADDITIONAL OBLIGATIONS**

Section 9.01 Issuance of Superior Lien Obligations Prohibited.

The Corporation hereby covenants that so long as any principal or interest pertaining to any Parity New Series Revenue Obligations remain outstanding and unpaid, it will not authorize or issue obligations secured by a lien on or pledge of the Pledged Revenues superior to the lien ascribed to the Parity New Series Revenue Obligations.

Section 9.02 Issuance of Additional Parity New Series Revenue Obligations Authorized.

In addition to the right to issue obligations of inferior lien, the Corporation reserves the right to issue Additional Parity New Series Revenue Obligations which, when duly authorized and issued in compliance with law and the terms and conditions hereinafter appearing, shall be on a parity with the Bonds herein authorized and the Parity New Series Revenue Obligations, payable from and equally and ratably secured by a lien on and pledge of the Pledged Revenues and Pledged Funds; and the Parity New Series Revenue Obligations and Additional Parity New Series Revenue Obligations shall in all respects be of equal dignity. The Additional Parity New Series Revenue Obligations may be issued in one or more installments, provided, however, that none shall be issued unless and until the following conditions have been met:

(a) The Corporation is not then in default as to any covenant, condition or obligation prescribed in a resolution authorizing the issuance of the outstanding Previously Issued Senior Lien Bonds or the Parity New Series Revenue Obligations.

(b) Each of the funds created for the payment, security and benefit of the Previously Issued Senior Lien Bonds and the Parity New Series Revenue Obligations contains the amount of money then required to be on deposit therein.

(c) The Corporation has secured from a Certified Public Accountant a certificate or report reflecting that for the Fiscal Year next preceding the date of the proposed Additional Parity New Series Revenue Obligations, or a consecutive twelve (12) month period out of the fifteen (15) month period next preceding the month in which the resolution authorizing the proposed Additional Parity New Series Revenue Obligations is adopted, the Gross Sales Tax Revenues were equal to at least: (i) 1.35 times the combined maximum annual principal and interest requirements on all Previously Issued Senior Lien Bonds and Parity New Series Revenue Obligations to be outstanding after the issuance of the proposed Additional Parity New Series Revenue Obligations; and (ii) 1.50 times the combined average annual principal and interest requirements on all Previously Issued Senior Lien Bonds and Parity New Series Revenue Obligations to be outstanding after the issuance of the proposed Additional Parity New Series Revenue Obligations; provided, that, in the event of an increase in the rate of the Sales Tax that becomes effective prior to the date of the resolution authorizing the issuance of the Additional Parity New Series Revenue Obligations, such certificate or report shall calculate the Gross Sales Tax Revenues for the calculation period as if such increased rate were in effect during such period.

(d) The Additional Parity New Series Revenue Obligations are made to mature on February 1 or August 1, either or both, of each year in which they are scheduled to mature.

(e) The resolution authorizing the Additional Parity New Series Revenue Obligations provides that: (i) the New Series Debt Service Fund be augmented by amounts adequate to accumulate the sum required to pay the principal and interest on such obligations as the same shall become due; and (ii) the amount to be maintained in the New Series Reserve Fund shall be increased to an amount not less than the New Series Reserve Fund Requirement calculated to include the debt service of the proposed additional obligations; and (iii) any additional amount

required to be maintained in the New Series Reserve Fund shall be deposited therein upon delivery of such Additional Parity New Series Revenue Obligations or in not more than 60 months from such date.

(f) Parity New Series Revenue Obligations may be refunded upon such terms and conditions as the Board may deem to be in the best interest of the Corporation; and if less than all such outstanding Parity New Series Revenue Obligations are refunded, the proposed refunding obligations shall be considered as “Additional Parity New Series Revenue Obligations” under the provisions of this Section, and the report or certificate required by paragraph (c) shall give effect to the issuance of the proposed refunding obligations and shall not give effect to the obligations being refunded.

**Section 9.03 No Further Issuance of Previously Issued Senior Lien Bonds.**

The Corporation covenants not to issue any bonds superior in lien and pledge to the Parity New Series Obligation, including specifically additional bonds or obligations authorized under the Previously Issued Senior Lien Bond Resolution.

(b) The Bonds and the provisions of this Resolution are and will be the valid and legally enforceable obligations of the Corporation in accordance with the terms of this Resolution, subject only to any applicable bankruptcy or insolvency laws or to any applicable law affecting creditors’ rights generally.

(c) The Corporation shall at all times, to the extent permitted by applicable law, defend, preserve and protect the pledge of the Pledged Funds and Pledged Revenues and all the rights of the Owners under this Resolution and the resolutions authorizing the issuance of the Bonds and any Additional Parity New Series Revenue Obligations, against all claims and demands of all persons whomsoever.

The Corporation shall keep or cause to be kept proper books of record and account (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the funds and accounts established by this Resolution and which, together with all other books and papers of the Corporation, shall at all times be subject to the inspection of, the Owner or Owners of not less than 5% in principal amount of the Parity New Series Revenue Obligations then outstanding or their representatives duly authorized in writing.

Section 10.03 General.

The Directors and Officers of the Corporation shall do and perform or cause to be done and performed all acts and things required to be done or performed by or on behalf of the Corporation under the provisions of this Resolution.

Section 10.04 Repeal of Power to Collect Sales Tax.

Section 10.05 Payment of the Bonds.

While any of the Bonds are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Debt Service Fund, money sufficient to pay the interest on and the principal of the Bonds, as applicable, as will accrue or mature on each applicable Interest Payment Date.

Section 10.06 Federal Tax Matters.

(a) General. The Corporation covenants not to take any action or omit to take any action that, if taken or omitted, would cause the interest on the Bonds to be includable in gross income for federal income tax purposes. In furtherance thereof, the Corporation covenants to comply with sections 103 and 141 through 150 of the Code and the provisions set forth in the Federal Tax Certificate executed by the Corporation in connection with the Bonds.

(b) No Private Activity Bonds. The Corporation covenants that it will use the proceeds of the Bonds (including investment income) and the property financed, directly or indirectly, with such proceeds so that the Bonds will not be “private activity bonds” within the meaning of section 141 of the Code. Furthermore, the Corporation will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Bonds to be a “private activity bond” unless it takes a remedial action permitted by section 1.141-12 of the Regulations.

(c) No Federal Guarantee. The Corporation covenants not to take any action or omit to take any action that, if taken or omitted, would cause the Bonds to be “federally guaranteed”

within the meaning of section 149(b) of the Code, except as permitted by section 149(b)(3) of the Code.

(d) No Hedge Bonds. The Corporation covenants not to take any action or omit to take action that, if taken or omitted, would cause the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code.

(e) No Arbitrage. The Corporation covenants that it will make such use of the proceeds of the Bonds (including investment income) and regulate the investment of such proceeds of the Bonds so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code.

(f) Required Rebate. The Corporation covenants that, if the Corporation does not qualify for an exception to the requirements of section 148(f) of the Code, the Corporation will comply with the requirement that certain amounts earned by the Corporation on the investment of the gross proceeds of the Bonds, be rebated to the United States.

(g) Information Reporting. The Corporation covenants to file or cause to be filed with the Secretary of the Treasury an information statement concerning the Bonds in accordance with section 149(e) of the Code.

(h) Record Retention. The Corporation covenants to retain all material records relating to the expenditure of the proceeds (including investment income) of the Bonds and the use of the property financed, directly or indirectly, thereby until three years after the last Bond is redeemed or paid at maturity (or such other period as provided by subsequent guidance issued by the Department of the Treasury) in a manner that ensures their complete access throughout such retention period.

(i) Registration. If the Bonds are “registration-required bonds” under section 149(a)(2) of the Code, the Bonds will be issued in registered form.

(j) Favorable Opinion of Bond Counsel. Notwithstanding the foregoing, the Corporation will not be required to comply with any of the federal tax covenants set forth above if the Corporation has received an opinion of nationally recognized bond counsel that such noncompliance will not adversely affect the excludability of interest on the Bonds from gross income for federal income tax purposes.

Continuing Compliance. Notwithstanding any other provision of this Resolution to the contrary obligations under the federal tax covenants set forth above will survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the excludability of interest on the Bonds from gross income for federal income tax purposes

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 11.03 Remedies Not Exclusive.

(a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Resolution, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Resolution.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

**ARTICLE XII
