**RE: SOLE SOURCE AKTA KLOR 25 AND MILLENIUM III[®] CHLORINE DIOXIDE
GENERATOR SUPPLY**

Dear Mr. Price:

Evoqua Water Technologies LLC is the sole source supplier of AktaKlor 25 for municipal drinking water applications and the OEM provider of service, parts and repair contracts on our line of chlorine dioxide generation systems. This includes the MILLENIUM III[®] two and three chemical generator lines manufactured exclusively at our facilities. We maintain dedicated, experienced and certified service staff for this purpose. At the present time no other service firms or 3rd party personnel are trained, certified and authorized to provide the required OEM service, parts and repairs on the Millennium III chlorine dioxide generators.

A license to use MILLENIUM III[™] products is included with the product sale. Patents that cover aspects of the use of MILLENIUM III products include, but are not necessarily limited to, United States Patent Nos. 7,504,074 B2, 8,784,733 B2 and other patents pending. MILLENIUM III[™] and Full Service Disinfection Control are trademarks of Evoqua Water Technologies LLC.

Please feel free to contact me at (956) 522-8196 if you have any questions.

Sincerely,

Evoqua Water Technologies LLC
