GUS CHAVARRIA (ENGINEERING- OVER STREET PROJECT)	Even though Debbie Lane will be under construction starting October 20 and I'm sure it is something we can work around at that time. I will work with the contractor and Lifetime as we near that date. With this said, there are still no guarantees when it come to construction but since it is the holidays, I don't believe it will be a problem. Have Lifetime call me at 817-276-4235 two weeks prior to the event to coordinate efforts and to see where we are in construction. ***I sent the Lifetime applicant this note already so she is aware of the situation.(Linda)
