Re: Mansfield Invitational, Inc.

Per your telephone conversations with Raymond Meeks, this will confirm that the agreement concerning the use of funds from the hotel occupancy tax dated October 31, 2014, a copy of which is attached hereto, was in fact executed on behalf of Mansfield Invitational, Inc., the original applicant for funds for the girls basketball tournament.

The organization of the tournament was transitioned from the Rotary Clubs to Mansfield Invitational, Inc. prior to the application for 2013, but the event name was still the Mansfield Rotary at the time. To add further confusion, after the application was filed, the name of the event was changed to reflect our new corporate sponsor, Spring Creek Barbeque. The agreement erroneously named Mansfield Rotary as the organization, but I executed it as President of Mansfield Invitational, Inc. which is the organization that applied for the funds.

Thank you for your consideration and please let me know if you have further questions.

Regards,

Randall Canedy
President, Mansfield Invitational, Inc.
