Yes, my wife is on the HOA board. She is already talking to the rest of the board to get permission. Her email is [caseybrown.phd@gmail.com](mailto:caseybrown.phd@gmail.com).

Brian,

I hope we can make some overdue changes to the website.

I heard that y'all may be on the HOA board for Twin Creeks. I need some assistance getting the HOA approval for the 9/9 March A Thon by this week. Can you help with that?

I also had that you all may have some suggestions for the route. The director tells me that the route is set as the same one for last year, but we could probably mention to him that a stop in the park would be popular.

Thanks,

David King

Subject: Legacy Band Website

Hi David and Teresa,

Shelly and I talked over the weekend about the Legacy Band Booster website. We have some ideas about what we want to do with it but we need information. What information do we have about it? Who was in charge of the site previously? Contact info for that person? Any ideas on admin access to it?

Anything you can tell me would be great. Worst case scenario is we buy a new domain name and start a site up from scratch. We could do that for less than a couple hundred bucks and I could ensure that it would be set-up so that the booster club owns everything.

BTW- I have two freshman: Caroline on French Horn/Mello and Camilla on Oboe/Pit.

Best,

Brian Brown
