RECITALS

Each participating authority listed above plans to hold a general and/or special election on May 5, 2018. If a run-off election or a repeat election is necessary because of legal action, the date of that election will be June 16, 2018.

The County owns an electronic voting system, the Hart InterCivic eSlate/eScan Voting System (Version 6.2.1), which has been duly approved by the Secretary of State pursuant to Texas Election Code Chapter 122 as amended, and is compliant with the accessibility requirements for persons with disabilities set forth by Texas Election Code Section 61.012. The contracting political subdivisions, also known interchangeably as “Entities” or “participating authorities”, desire to use the County’s electronic voting system and to compensate the County for such use and to share in certain other expenses connected with joint elections in accordance with the applicable provisions of Chapters 31 and 271 of the Texas Election Code, as amended. The entity desires to contract for the voting system as described, in tandem with the County’s elections services through the Elections Administrator’s office, and to compensate the County for such use and to share in other expenses connected with joint elections in accordance with the applicable provisions of law and of this contract.

NOW THEREFORE, in consideration of the mutual covenants, agreements, and benefits to the parties, IT IS AGREED as follows:

I. ADMINISTRATION

The parties agree to hold a “Joint Election” with each other in accordance with Chapter 271 of the Texas Election Code and this agreement. The Tarrant County Elections Administrator shall coordinate, supervise, and handle all aspects of administering the Joint Election as provided in this agreement. Each participating authority agrees to pay the Tarrant County Elections Administrator for equipment, supplies, services, and administrative costs as provided in this agreement. The Tarrant

County Elections Administrator shall serve as the administrator for the Joint Election; however, each participating authority shall remain responsible for the decisions and actions of its officers necessary for the lawful conduct of its election. The Elections Administrator shall provide advisory services in connection with decisions to be made and actions to be taken by the officers of each participating authority as necessary. Legal advice to or legal representation of the Entities/political subdivisions/participating authorities by the Election Administrator's office or lawyers who advise or represent the Election Administrator is not included herewith; each Entity should consult with its own counsel for any legal issues that arise, or with the Texas Secretary of State, as appropriate.

It is understood that other political subdivisions may wish to participate in the use of the County's electronic voting system and polling places, and it is agreed that the Elections Administrator may enter into other contracts for election services for those purposes on terms and conditions generally similar to those set forth in this contract. In such cases, costs shall be pro-rated among the participants according to Section XI of this contract.

At each polling location, joint participants shall share voting equipment and supplies to the extent possible. The participating parties shall share a mutual ballot in those polling places where jurisdictions overlap. However, in no instance shall a voter be permitted to receive a ballot containing an office or proposition stating a measure on which the voter is ineligible to vote. Multiple ballot styles shall be available in those shared polling places where jurisdictions do not overlap.

II. LEGAL DOCUMENTS

Each participating authority shall be responsible for the preparation, adoption, and publication of all required election orders, resolutions, notices, and any other pertinent documents required by the Texas Election Code and/or the participating authority's governing body, charter, or ordinances, except that the Elections Administrator shall be responsible for the preparation and publication of all voting system testing notices that are required by the Texas Election Code.

Preparation of the necessary materials for notices and the official ballot shall be the responsibility of each participating authority, including translation to languages other than English, including (but not necessarily limited to), as required by law, Spanish and Vietnamese. Each participating authority shall provide a copy of their respective election orders and notices to the Tarrant County Elections Administrator.

III. VOTING LOCATIONS

The Elections Administrator shall select and arrange for the use of and payment for all Election Day voting locations. Voting locations will be, whenever possible, the usual voting location for each election precinct in elections conducted by each participating city, and shall be compliant with the accessibility requirements established by Election Code Section 43.034 and the Americans with Disabilities Act (ADA). The proposed voting locations are listed in Attachment A of this agreement. In the event that a voting location is not available or appropriate, the Elections Administrator will arrange for use of an alternate location with the approval of the affected participating authorities. The Elections Administrator shall notify the participating authorities of any changes from the locations listed in Attachment A.

If polling places for the May 5, 2018 joint election are different from the polling place(s) used by a participating authority in its most recent election, the authority agrees to post a notice no later than May 5, 2018 at the entrance to any previous polling places in the jurisdiction stating that the polling location has changed and stating the political subdivision's polling place names and addresses in effect for the May 5, 2018 election. This notice shall be written in both the English, Spanish, and Vietnamese languages.

IV. ELECTION JUDGES, CLERKS, AND OTHER ELECTION PERSONNEL

Tarrant County shall be responsible for the appointment of the presiding judge and alternate judge for each polling location. The Elections Administrator shall make emergency appointments of election officials if necessary.

Upon request by the Elections Administrator, each participating authority agrees to assist in recruiting polling place officials who are bilingual [(fluent in both English and Spanish) and (fluent in both English and Vietnamese)]. In compliance with the Federal Voting Rights Act of 1965, as amended, each polling place containing more than 5% Hispanic or Vietnamese population as determined by the most recent Census used for such determinations shall have one or more election officials who are fluent in both the English and Spanish or English and Vietnamese languages, as applicable. If a presiding judge is not bilingual, and is unable to appoint a bilingual clerk, the Elections Administrator may recommend a bilingual worker for the polling place. If the Elections Administrator is unable to recommend or recruit a bilingual worker, the participating authority or

authorities served by that polling place shall be responsible for recruiting a bilingual worker for interpretation and translation services as needed at that polling place.

The Elections Administrator shall notify all election judges of the eligibility requirements of Subchapter C of Chapter 32 of the Texas Election Code, and will take the necessary steps to insure that all election judges appointed for the Joint Election are eligible to serve.

The Elections Administrator shall arrange for the training and compensation of all election judges and clerks. The Elections Administrator shall arrange for the date, time, and place for presiding election judges to pick up their election supplies. Each presiding election judge will be sent a letter from the Elections Administrator notifying the judge of the appointment, the time and location of training and distribution of election supplies, and the number of election clerks that the presiding judge may appoint.

Each election judge and clerk will receive compensation at the hourly rate established by Tarrant County pursuant to Texas Election Code Section 32.091 or other law applicable to compensation for the election-related work. The election judge will receive an additional sum of \$25.00 for picking up the election supplies prior to Election Day and for returning the supplies and equipment to the central counting station after the polls close.

Election judges and clerks who attend voting equipment training and/or procedures training shall be compensated at the same hourly rate that they are to be paid on Election Day.

The Elections Administrator may employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies during early voting and on Election Day, and for the efficient tabulation of ballots at the central counting station. Part-time personnel working as members of the Early Voting Ballot Board and/or central counting station on election night will be compensated at the hourly rate set by Tarrant County in accordance with Election Code Sections 87.005, 127.004, and 127.006.

V. PREPARATION OF SUPPLIES AND VOTING EQUIPMENT

The Elections Administrator shall arrange for all election supplies and voting equipment including, but not limited to, official ballots, sample ballots, voter registration lists, and all forms, signs, maps and other materials used by the election judges at the voting locations. The Elections Administrator shall ensure availability of tables and chairs at each polling place and shall procure rented tables and chairs for those polling places that do not have tables and/or chairs.

The Elections Administrator shall provide the necessary voter registration information, maps, instructions, and other information needed to enable the election judges in the voting locations that have more than one ballot style to conduct a proper election.

Each participating authority shall furnish the Elections Administrator a list of candidates and/or propositions showing the order and the exact manner in which the candidate names and/or proposition(s) are to appear on the official ballot (including titles and text in each language in which the authority's ballot is to be printed). Each participating authority shall be responsible for proofreading and approving the ballot insofar as it pertains to that authority's candidates and/or propositions.

The joint election ballots that contain ballot content for more than one joint participant because of overlapping territory shall be arranged in the following order: Independent School District, City, Water District(s), College District, and other political subdivisions.

Early Voting by Personal Appearance shall be conducted exclusively on Tarrant County's eSlate electronic voting system. On Election Day, voters shall have a choice between voting on the eSlate electronic voting system or by a paper ballot that is scanned at the polling place using Tarrant County's eScan voting system. Provisional ballots cast on Election Day will be cast only on the eSlate electronic voting system to prevent the possibility of paper provisional ballots being immediately counted via the eScan ballot scanner.

The number of paper ballots printed for Election Day voting shall be, at a minimum, equal to the same Election Day turnout as in the last comparable election plus 25 percent of that number, with the final number of ballots ordered per polling place or precinct adjusted upward to end in a number divisible by 50.

The Elections Administrator shall be responsible for the preparation, testing, and delivery of the voting equipment for the election as required by the Election Code.

The Elections Administrator shall conduct criminal background checks on relevant employees upon hiring as required by Election Code Section 129.051(g).

VI. EARLY VOTING

The participating authorities agree to conduct joint early voting and to appoint the Election Administrator as the Early Voting Clerk in accordance with Sections 31.097 and 271.006 of the Texas Election Code. Each participating authority agrees to appoint the Elections Administrator's permanent county employees as deputy early voting clerks. The participating authorities further agree that the Elections Administrator may appoint other deputy early voting clerks to assist in the conduct of early voting as necessary, and that these additional deputy early voting clerks shall be compensated at an hourly rate set by Tarrant County pursuant to Section 83.052 of the Texas Election Code. Deputy early voting clerks who are permanent employees of the Tarrant County Elections Administrator or any participating authority shall serve in that capacity without additional compensation.

Early Voting by personal appearance will be held at the locations, dates, and times listed in Attachment "B" of this document. Any qualified voter of the Joint Election may vote early by personal appearance at any of the joint early voting locations.

As Early Voting Clerk, the Elections Administrator shall receive applications for early voting ballots to be voted by mail in accordance with Chapters 31 and 86 of the Texas Election Code. Any requests for early voting ballots to be voted by mail received by the participating authorities shall be forwarded immediately by fax or courier to the Elections Administrator for processing. The Elections Administrator will be responsible for managing the Annual Ballot by Mail voters for whom the Elections Administrator has received an Application for Ballot by Mail.

In addition to making the information on the roster for a person who votes an early voting ballot by personal appearance available for public inspection not later than the beginning of the regular business hours on the day after the date the information is entered on the roster, the Elections Administrator shall post on the county website each participating authority's early voting report on a daily basis and a cumulative final early voting report following the close of early voting. In accordance with Section 87.121(g) of the Election Code, the daily reports showing the previous day's early voting activity will be posted to the county website no later than 10:00 AM each business day.

VII. EARLY VOTING BALLOT BOARD AND SIGNATURE VERIFICATION COMMITTEE

Tarrant County shall appoint an Early Voting Ballot Board (EVBB) to process early voting results from the Joint Election. The Presiding Judge, with the assistance of the Elections Administrator, shall appoint two or more additional members to constitute the EVBB. The Elections Administrator shall determine the number of EVBB members required to efficiently process the early voting ballots.

The Elections Administrator shall determine whether a Signature Verification Committee is necessary, and if so, shall appoint the members.

VIII. CENTRAL COUNTING STATION AND ELECTION RETURNS

The Elections Administrator shall be responsible for establishing and operating the central and remote counting stations to receive and tabulate the voted ballots in accordance with the provisions of the Texas Election Code and of this agreement.

The participating authorities hereby, in accordance with Section 127.002, 127.003, and 127.005 of the Texas Election Code, appoint the following central counting station officials:

Counting Station Manager:	Heider Garcia, Elections Administrator
Tabulation Supervisor:	Karen Lawrence, Assistant Elections Administrator
Presiding Judge:	Darl Easton

The counting station manager or his/her representative shall deliver timely cumulative reports of the election results as precinct report to the central and remote counting stations and are tabulated. The manager shall be responsible for releasing unofficial cumulative totals and precinct returns from the election to the joint participants, candidates, press, and general public by distribution of hard copies at the central counting station or by electronic distribution and by posting to the Tarrant County web site. To ensure the accuracy of reported election returns, results printed on the tapes produced by Tarrant County's voting equipment will not be released to the participating authorities at the remote collection sites or by phone from individual polling locations.

The Elections Administrator will prepare the unofficial canvass reports that are necessary for compliance with Election Code Section 67.004 after all precincts have been counted, and will deliver a copy of these unofficial canvass reports to each participating authority as soon as possible after all returns have been tabulated. Each participating authority shall be responsible for the official canvass of its respective election(s).

The Elections Administrator will prepare the electronic precinct-by-precinct results reports for uploading to the Secretary of State as required by Section 67.017 of the Election Code. The Elections Administrator agrees to upload these reports for each participating authority unless requested otherwise.

The Elections Administrator shall be responsible for conducting the post-election manual recount required by Section 127.201 of the Texas Election Code unless a waiver is granted by the Secretary of State. Notification and copies of the recount, if waiver is denied, will be provided to each participating authority and the Secretary of State's Office.

IX. PARTICIPATING AUTHORITIES WITH TERRITORY OUTSIDE TARRANT COUNTY

Each participating authority with territory containing population outside Tarrant County agrees that the Elections Administrator shall administer only the Tarrant County portion of those elections.

X. RUNOFF ELECTIONS

Each participating authority shall have the option of extending the terms of this agreement through its runoff election, if applicable. In the event of such runoff election, the terms of this agreement shall automatically extend unless the participating authority notifies the Elections Administrator in writing within 3 business days after the original election, not counting election day.

Each participating authority shall reserve the right to reduce the number of early voting locations and/or Election Day voting locations in a runoff election.

Each participating authority agrees to order any runoff election(s) at its meeting for canvassing the votes from the May 5, 2018 election and to conduct its drawing for ballot positions at or immediately following such meeting in order to expedite preparations for its runoff election.

Each participating authority eligible to hold runoff elections agrees that the date of the runoff election, if necessary, shall be June 16, 2018.

XI. ELECTION EXPENSES AND ALLOCATION OF COSTS

The participating authorities agree to share the costs of administering the Joint Election. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared according to a formula which is based on the average cost per Election Day polling place (unit cost) as determined by adding together the overall expenses and dividing the expenses equally among the total number of polling places. Costs for polling places shared by more than one participating authority shall be prorated equally among the participants utilizing that polling place.

It is agreed that charges for Election Day judges and clerks and Election Day polling place rental fees shall be directly charged to the appropriate participating authority rather than averaging those costs among all participants.

If a participating authority's election is conducted at more than one Election Day polling place, there shall be no charges or fees allocated to the participating authority for the cost of Election Day polling places in which the authority has fewer than

50% of the total registered voters served by that polling place, except that if the number of registered voters in all of the authority's polling places is less than the 50% threshold, the participating authority shall pay a pro-rata share of the costs associated with the polling place where it has the greatest number of registered voters.

Costs for Early Voting by Personal Appearance shall be allocated based upon the actual costs associated with each early voting site. Each participating authority shall be responsible for a pro-rata portion of the actual costs associated with the early voting sites located within their jurisdiction. Participating authorities that do not have a regular (non-temporary) early voting site within their jurisdiction shall pay a pro-rata portion of the nearest regular early voting site.

Costs for Early Voting by Mail shall be allocated according to the actual number of ballots mailed to each participating authority's voters.

Participating authorities having the majority of their voters in another county, and fewer than 500 registered voters in Tarrant County, and that do not have an Election Day polling place or early voting site within their jurisdiction shall pay a flat fee of \$400 for election expenses.

Each participating authority agrees to pay the Tarrant County Elections Administrator an administrative fee equal to ten percent (10%) of its total billable costs (but not less than \$ 75.00) in accordance with Section 31.100(d) of the Texas Election Code.

The Tarrant County Elections Administrator shall deposit all funds payable under this contract into the appropriate fund(s) within the county treasury in accordance with Election Code Section 31.100.

Cost schedule and invoicing.

A cost estimate for the services, equipment, and supplies provided by the Contracting Officer for the election and the runoff election is shown below and made a part of this Contract. This cost estimate shall serve as the cost schedule agreed upon by the contracting parties, as referenced in Section 31.093(a), Texas Election Code.

As soon as reasonably possible after the election or the runoff election, the Contracting Officer will submit an itemized invoice to the Entity (i) for the actual expenses he/she incurred as described above and (ii) for the Contracting Officer's fee as described above. The invoice shall reflect any advance monies paid and any direct payments made. The invoice shall reflect any advance monies. The Contracting Officer will use his/her best efforts to submit the invoice within 30 days after the election or within 10 days after the runoff election.

The Contracting Officer's invoice shall be due and payable by the Entity to the address set forth in the invoice within 30 days after its receipt by the Entity. If the Entity disputes any portion of the invoice, the Entity shall notify the Contracting Officer in writing within such 30-day period or the invoice will be presumed to be a true and accurate rendering of the amount that is due.

XII. COST ESTIMATES AND DEPOSIT OF FUNDS

The total estimated obligation for each participating authority under the terms of this agreement is listed below. Each participating authority agrees to pay the Tarrant County Elections Administrator a deposit of approximately 75% of this estimated obligation within 15 days after execution of this agreement. The exact amount of each participating authority's obligation under the terms of this agreement shall be calculated after the May 5, 2018 election (or runoff election, if applicable), and if the amount of an authority's total obligation exceeds the amount deposited, the authority shall pay to the Elections Administrator the balance due within 30 days after the receipt of the final invoice from the Elections Administrator. However, if the amount of the authority's total obligation is less than the amount deposited, the Elections Administrator shall refund to the authority the excess amount paid within 30 days after the final costs are calculated.

The total estimated obligation and required deposit for each participating authority under the terms of this agreement shall be as follows:

It is agreed that any of the joint election early voting sites that are not within the boundaries of one or more of the remaining participating authorities, with the exception of the early voting site located at the Tarrant County Elections Center, may be dropped from the joint election unless one or more of the remaining participating authorities agree to fully fund such site(s). In the event that any early voting site is eliminated under this section, an addendum to the contract shall be provided to the remaining participants within five days after notification of all intents to withdraw have been received by the Elections Administrator.

XIV. RECORDS OF THE ELECTION

The Elections Administrator is hereby appointed general custodian of the voted ballots and all records of the Joint Election as authorized by Section 271.010 of the Texas Election Code.

Access to the election records shall be available to each participating authority as well as to the public in accordance with applicable provisions of the Texas Election Code and the Texas Public Information Act. If records of the election are involved in any pending election contest, investigation, litigation, or open records request, the Elections Administrator shall maintain the records until final resolution or until final judgment, whichever is applicable. It is the responsibility of each participating authority to bring to the attention of the Elections Administrator any notice of pending election contest, investigation, litigation or open records request which may be filed with the participating authority.
