City of Mansfield, Texas  
1200 E. Broad St.  
Mansfield TX 76063

To Whom It May Concern:

The Historic West Mansfield Texas Community Development Corporation is respectfully requesting the preservation of the "Tree Line" located on the western property line of Bethlehem's Pioneer Place and the Lawson property. The Lawson family who is our nearest neighbor has joined the CDC in this request. This pristine line of trees date back 75 to 80 years and are reminders of the nostalgia of the city of Mansfield. As the "Tree City" of the United States, we ask for a waiver that would allow the installation of an eight-foot cedar fence bordering the west side of the property only. It is important to note that we are not requesting any changes to the construction of a masonry wall that will border the eastern and northern borders of said property.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dr. Michael A. Evans, Sr.' with a stylized flourish at the end.

Dr. Michael A. Evans, Sr.  
Board President  
Historic West Mansfield TX CDC

Cc City Manager Clayton Chandler  
Mayor David Cook
