This permit application is for the 2018 M4M event formerly known as Miles for Meredith. This event was to take place as a looped 1 mile for 2018 around the high school but due to another event being hosted in the cafeteria we are requesting to go back to the year past course which is attached. The course will be coned with traffic cones and Cpt Bates and Sgt VanDuzee with Mansfield PD have been contacted and the route furnished. The cones will be set up by RunFAR Racing Services, Inc staff as in years past. The event will start and end in front of the Mansfield High Gymnasium and be off the roads no later than 9:30am, Saturday, November 17th. A water stop will be set up on the circular drive entrance into Knights bridge which the HOA is aware of. All trash from the water stop will be picked up with the trash bags provided to the station and swept by RunFAR Racing Services, Inc.

Thank you for your consideration,

Raul Najera
Presiden/Owner RunFAR Racing Services, Inc.

Be It Officially Noted That

Based on examination of data provided by the above named measurer, the course described above and in the map attached is hereby certified as reasonably accurate in measurement according to the standards adopted by the Road Running Technical Council. If *any* changes are made to the course, this certification becomes void, and the course must then be recertified.

Verification of Course — In the event a National Open Record is set on this course, or at the discretion of USA Track & Field, a verification remeasurement may be required to be performed by a member of the Road Running Technical Council. If such a remeasurement shows the course to be short, then all pending records will be rejected and the course certification will be cancelled.

This certification expires on December 31 in the year **2024**
