Subject: TRWD-Dolce Vita at Mansfield

Charles,

Assuming these are public roads, TRWD has no issue with the concept/layout of Dolce Vita at Mansfield. If the roads shown to cross TRWD are private roads, please let us know. In addition, I've attached our crossing guidelines for design purposes, and plan sheets for our pipelines.

Once available, please email the plans to me and to Rick Carroll, copied on this email. Once we receive the formal submittal, our review time could take up to a month as we have to coordinate with TRWD Engineering and Operations Divisions, and draft the Easement with Legal.

Let us know if there are any questions or concerns.

Thank you,

Hayley Cox, RWA
