At the present time no other service firms or 3rd party personnel are trained, certified and authorized to provide the required OEM service, parts and repairs on the Millennium III chlorine dioxide generators.

Patents that cover aspects of the use of MILLENIUM III™ products include, but are not necessarily limited to, United States Patent Nos. 7,504,074 B2, 8,784,733 B2 and other patents pending. MILLENIUM III™ and Full Service Disinfection Control are trademarks of Evoqua Water Technologies LLC.
