If Purchaser determines that the Title Commitment, Survey and/or Documents reflect or disclose any defect, exception or other matter affecting the Property unacceptable to Purchaser in its sole discretion, then Purchaser will notify Seller of Purchaser’s objections prior to the expiration of the Approval Period (“**Objection Notice**”). If Seller fails to cure Purchaser’s objections within ten (10) days after Seller’s receipt of the Objection Notice (the “**Seller’s Cure Period**”), Purchaser may, as its sole and exclusive remedy, to terminate this Contract by providing written notice of termination to Seller within ten (10) business days after the expiration of Seller’s Cure Period, whereupon this Contract will be terminated, Seller will retain the Independent Consideration and the Earnest Money will be refunded to Purchaser, and thereafter neither Seller nor Purchaser will have any continuing rights or obligations other than Purchaser’s indemnity of Seller as provided in Section 5. If Purchaser fails to terminate this Contract within that period, Purchaser will be deemed to have approved and waived any objection to the matters contained in the Title Commitment, Survey and Documents. If the Title Company issues a supplement or amendment to the Title Commitment showing additional title exceptions (each, an “**Amended Report**”), Purchaser will have 10 days from the date of receipt of each Amended Report and a copy of each document referred to in the Amended Report in which to give written notice (each, a “**Supplemental Title Notice**”) to Seller of its objection to any additional matter affecting the Property that is unacceptable to Purchaser, in Purchaser’s sole discretion, shown in such Amended Report. All matters shown under Schedule B – Section II of the Title Commitment and by the Survey to which Purchaser has not objected or Purchaser has waived as provided herein will be considered to be “**Permitted Exceptions**.” Notwithstanding the foregoing, under no circumstances will Purchaser be required to object to any existing liens reflected in the Title Commitment or other matters shown on Schedule B – Section I thereto, all of which (except for the lien or liens for taxes not yet due and payable) will be released or satisfied by Seller at its expense prior to Closing.

5. Feasibility Contingency. The obligations of Purchaser under this Contract and consummation of Closing are, at Purchaser’s discretion, subject to Purchaser performing due diligence, completing an inspection of the Property and determining, in Purchaser’s sole discretion, that it is feasible for Purchaser to own and operate the Property in a manner and upon terms and conditions satisfactory to Purchaser. Purchaser will have until 11:59 p.m., Eastern Standard Time, on that date which is ninety (90) days after the Effective Date (the “**Inspection Period**”), to inspect the condition of the Property and to perform such other investigations as Purchaser may desire in its sole discretion, including, but not limited to invasive testing, such as soil borings, installation of groundwater monitoring wells and collection of soil and groundwater samples in connection with a Phase II environmental assessment. During the Inspection Period, Purchaser may file applications with applicable governing authorities to plat or replat the Property for its planned development, and to obtain all development commitments, entitlements, permits and approvals, all as may be deemed necessary by Purchaser in connection with its contemplated use and development of the Property (collectively, all of the foregoing commitments, entitlements, permits, and approvals are the “**Approvals**”), and Seller agrees to cooperate with Purchaser and execute such documents

reasonably required in connection with the Approvals. In addition, Seller will cooperate with Purchaser in executing any applications or other materials prepared by Purchaser for submission to government authorities in connection with Purchaser's development plans. Such Approvals, applications and materials will not impose any burden or be binding upon the Property prior to Closing, nor impose any cost or liability on Seller, except to the extent consented to by Seller, which consent will not be unreasonably withheld.

Prior to any entry upon the Property by Purchaser, or its contractor, agent, employee, consultant or other third party at Purchaser's direction (each a "**Purchaser Consultant**"), Purchaser and any Purchaser Consultant entering the Property will deliver to Seller evidence that Seller is included as an additional insured on a primary and noncontributory basis on Purchaser's and such Purchaser Consultant's liability insurance coverage issued with combined single limits of not less than Two Million Dollars (\$2,000,000) per occurrence. Any Purchaser Consultant that seeks to perform invasive testing or collect samples from the Property shall maintain pollution liability insurance with limits of not less than Two Million Dollars (\$2,000,000), and shall provide evidence that Seller is named as an additional insured on such policy prior to entering the Property.

Purchaser and its duly authorized agents or representatives may enter upon the Property at all reasonable times during the term of the Contract to conduct engineering, environmental, and geotechnical studies, or any other inspections or tests. Purchaser will indemnify and hold Seller harmless from and against any and all losses or costs incurred by Seller due to any injuries to persons or damage to the Land or Improvements resulting from such studies, inspections and/or tests, and if Purchaser fails to close its acquisition of the Property pursuant to this Contract, Purchaser will restore any material damage to the Land or Improvements caused by Purchaser, its agents or representatives to a reasonable equivalent of its pre-inspection condition; provided, however, that Purchaser shall not be obligated to indemnify or hold Seller harmless from any losses or costs arising out of or relating to (i) acts or omissions of Seller, its agents, or representatives; (ii) Hazardous Materials not first placed on the Property by Purchaser, its agents, or representatives; or (iii) mere discovery of conditions, facts or circumstances that adversely affect (or may adversely affect) the value of the Property.

Seller will terminate all leases, agreements and contracts for services at the Property, effective at or prior to Closing.

Purchaser may extend the Inspection Period for up to three (3) additional periods of thirty (30) days each by (i) delivering to Seller and the Title Company written notice of Purchaser's election to extend the Inspection Period then in effect, prior to the expiration of the Inspection Period, and (ii) depositing with Title Company the sum of \$25,000.00 ("**Extension Fee**"), within three (3) business days after the expiration of the Inspection Period then in effect. The Extension Fee (and interest on such Extension Fee) will constitute additional Earnest Money and will be applied against the Purchase Price at Closing, but will be non-refundable to Purchaser if Purchaser elects a discretionary termination of the Contract during the Inspection Period as provided in this Section.

If Purchaser elects to proceed with Closing, then Purchaser will notify Seller and Title Company in writing (the "**Approval Notice**") prior to the expiration of the Inspection Period. Unless the Approval Notice is previously delivered to Seller, upon the expiration of the Inspection Period Title Company will promptly return the Earnest Money to Purchaser and will disburse any Extension Fee to Seller, and all obligations of the parties under this Contract will terminate, excepting those obligations that expressly survive termination. In addition, if Purchaser notifies Seller during the Inspection Period that it does not intend to proceed with the acquisition of the Property (for any reason or no reason), then Title Company will promptly return the Earnest Money to Purchaser and will disburse any Extension Fee to Seller, and all obligations of the parties under this Contract will terminate, except for those obligations that expressly survive termination.
