To whom:

We would like to host a series of events that we feel will draw much needed business to our Historic Downtown district. One of these events is an open to the public cornhole tournament that would take place between 113 Walnut St and 119 Walnut St. The intent is to block out 1 lane of the street between these addresses with traffic cones and set up cornhole boards between them. As well, we would like to request the 7 parking spaces (shown on site plan) to host local vendors. The vendors would be accessed by the sidewalk and not on the street.

You will find the businesses who are included in this stretch are willing participants and approve by their signatures below.

We thank you for the opportunity to find unique ways to grow attention and business in our Historic Downtown and appreciate any consideration.
