RE: Appointments to Board of Directors for 2022-2023
Nomination of Candidates

Dear Mr. Evans:

The current two-year terms of the five voting members of the Tarrant Appraisal District Board of Directors will expire on December 31, 2021. By law, the Tarrant County Tax Assessor-Collector will continue to serve as a non-voting member. The first step in appointing voting members for the 2022-2023 term is calculating the number of votes to which taxing units are entitled. As required by Section 6.03 of the Property Tax Code, I have calculated and provide in the attached list the number of votes for each school district, city, and county entity that is entitled to participate in the appointment process. The **next step** is nomination of candidates. The governing body of each taxing unit on the attached list may nominate up to five candidates. Taxing units are not required to submit any nominations but, if they choose to do so, the ***nominations may be made only by a resolution adopted by the governing body and the presiding officer of the governing body must submit the names of the nominees to me before October 15, 2021.***

To be eligible to serve as a voting member of the Board of Directors, an individual must have resided in Tarrant County for at least the two years immediately preceding January 1, 2022. An individual who is otherwise eligible is not ineligible because he or she is a member of the government body of a taxing unit. Texas law restricts eligibility and conduct of members of governmental bodies such as appraisal districts' boards of directors. In consultation with your attorneys, please review the Property Tax Code and other applicable laws carefully for the details of those restrictions, including definitions of "substantial interest", "business entity", "deferred", "abated", and other terms used below and for the potential criminal consequences of violating certain restrictions. In summary, the Property Tax Code provides that the following are ineligible to serve as voting members of the Board of Directors:

- an individual who has been an employee of Tarrant Appraisal District at any time during the preceding three years;
- an individual who has served as a voting member of the Board of Directors for all or part of five terms;

- an individual who is an employee of a taxing unit that participates in Tarrant Appraisal District unless the individual is also a member of the governing body or an elected official of a taxing unit that participates in the District;
- an individual who, directly or through a business entity in which he or she has a substantial interest, is a party to a contract with Tarrant Appraisal District or a taxing unit that participates in the District, if the contract relates to the performance of any activity governed by the Property Tax Code;
- an individual who has engaged in the business of appraising property for compensation for use in proceedings under the Property Tax Code at any time during the preceding three years;
- an individual who has engaged in the business of representing property owners for compensation in proceedings under the Property Tax Code in Tarrant County at any time during the preceding three years;
- an individual who is related by blood or marriage to an individual who is engaged in the business of appraising property for compensation for use in proceedings under the Property Tax Code or of representing property owners for compensation in proceedings under the Property Tax Code in Tarrant County, if the relationship is within the 1st or 2nd degrees on the following chart;
