**NEW BUSINESS**

Board voted yes to amendment to By-Laws; Cigarette butlers are here and will be installed by end of November. A google sheet will be used for members to sign-up to do one cleanout of butlers during the coming year. Becca will do the first 1-2

cleanups to work out details, and then board members will take over. Cigarette litter will be taken to the ECC to be shipped for recycling. Downtown merchants will help promote the use of the butlers. Data on usage will be collected to determine how often butlers need to be emptied. After the initial year of data collecting, the board will seek volunteers to continue the cleanup. A GCAA project committee will be formed to determine the location and type of beautification project that will be done using the funds from winning the 2021 GCAA award. Karen Williams volunteered to be the KMBC representative. The committee is expected to convene for the first meeting within the next month or so. Earth Day Mansfield 2022 will be planned.
