PARKS SUPERINTENDENT'S REPORT ON LISTED ITEMS (TOBY FOJTIK)

[16-2067](#)

Monthly Update on Daily Maintenance of Current Park Facilities

1) Sports Complex: We hosted another successful USSSA World Series without incidents. Staff also had the floor sealed by a contractor for MYBA, removed two torn canopies after storm damage, raised several valve boxes and filled in several holes at the baseball fields. In addition, staff had all of the trees trimmed along the front entrance of the park and had all of the scoreboards serviced and repaired. The next project is to have the pitchers mounds rebuilt before the season starts.

2) Philip Thompson: Staff sprayed one half of the soccer complex turf and removed/capped all of the irrigation heads in preparation for renovation. The re-sodding project started today and sod has been removed.

3) McKnight East: Two successful tournaments were held at this location. The parking lot has been restriped, staff had all of the trees trimmed over the trail, power washed all dugouts and bleachers, and performed general maintenance.

4) Rose/Town/Linear Trail/Pond Branch: The well pump for the pond was repaired after being damaged by lightning. The pond fountain was removed, cleaned and was determined to be inoperable. Staff is currently waiting on a quote to replace it with aerators. Staff thinks it may be damaged due to silting in of the pond. The drains were cleared of storm debris and limbs. A new camera system was ordered for the park after requests for video from the police department.

5) Oliver Nature Park: Web worms were removed from several pecan trees after consulting with J. Davis Trees for treatment options. One of the aerators was repaired and the well pump was repaired. Replacement cedar boards arrived for the tree overlook, board walk and bridge. The composting restroom was emptied again.

6) Chandler: The outgoing crew leader met with all of the crew leaders to go over the splash pad maintenance and operations before he left. We are currently accepting applications to fill this position. The tennis court wind screens were repaired and the pond was treated for algae. General maintenance is ongoing.

7) Overall: Staff is working on keeping enough water on the turf and plants to keep them alive during the extreme heat.

9. OLD BUSINESS

[19-3011](#)

Update: Walnut Creek Linear Park Trail System

Chris Ray, Park Planner, informed the Board that drilling for the concrete boardwalk helical piers has started in the Fox Hollow area. Concrete sidewalk forms have also started with the intention of pouring the pier abutments and the sidewalk within this month. The contractor will then move east towards Philip Thompson to secure the rest of the boardwalk piers. Bi-weekly meetings are still taking place and the project is on schedule to hit its target completion date at the end of 2019.

[17-2412](#)

Update: Dog Park

Chris Ray, Park Planner, informed the Board that staff is currently working with other departments to secure a general permit so that mobilization may proceed. Staff met with the contractor on July 10, 2019 to hold a pre-construction meeting where plans were reviewed. Scope of work was discussed as well as general requirements and contract execution. A tentative project schedule following the contract timeline was proposed for review. This project is expected to start at the end of this month or early August with completion in December 2019.

Neal Shaw asked about the status of the Man House. Matt stated that the Planning Department is working on finalizing the Construction Manager At Risk contract and are estimating January for completion.

[18-2924](#)

Update: Parks, Recreation, Open Space and Trails Master Plan

Matt Young, Parks and Recreation Director, informed the Board that the Master Plan Advisory Committee (MPAC) met on June 27th. Agenda items included an overview of

the parkland dedication ordinance, overview of the parks and recreation system, online survey results, park and facility standards, and sub-committee formation. 31 citizens responded to the request for citizen participation on focus groups. Staff is reviewing the applicants and their areas of interest and will be coordinating the 3-4 focus groups in August. The next MPAC meeting is scheduled for August 1st.

[17-2233](#)

Discussion; MPFDC 10-Year Strategic Business Plan

Matt Young, Parks and Recreation Director, provided the Board with an updated copy of the 10-Year Strategic Business Plan reflecting updated ending balance figures and proposed budget information.
