Meeting Minutes - Draft

Historic Landmark Commission

Thursday, November 12, 2020

5:30 PM

City Hall Council Chambers

This meeting was open to the public and conducted by video conferencing with access to the public.

1. CALL TO ORDER

Chairman Smith called the meeting to order at 5:30 p.m. in the Council Chamber at City Hall, 1200 East Broad Street, with the meeting being open to the public and notice of said meeting, giving date, place, and subject thereof, having been posted as prescribed by Chapter 551, Texas Government Code.

Staff:

Art Wright Planner/HPO

Jennifer Johnston Development Coordinator

Commissioners:

Absent 2 - Amanda Kowalski and Thomas Leach

Present 5 - Mark Walker; David Littlefield; Lynda Pressley; Robert Smith and Bob Klenzendorf

2. APPROVAL OF MINUTES

Absent 2 - Amanda Kowalski and Thomas Leach

Present 5 - Mark Walker; David Littlefield; Lynda Pressley; Robert Smith and Bob Klenzendorf

20-3847 Minutes - Approval of the October 8, 2020 Historic Landmark Commission Meeting Minutes

Chairman Smith called for approval of the minutes of the October 8, 2020 meeting. Commissioner Pressley made a motion to approve the minutes as presented. Commissioner Klenzendorf seconded the motion which carried by the following vote:

A motion was made by Pressley, seconded by Klenzendorf, that this matter be Approval of Minutes . The motion CARRIED by the following vote:

Aye: 5 - Mark Walker; David Littlefield; Lynda Pressley; Robert Smith and Bob Klenzendorf

Nay: 0

Absent: 2 - Amanda Kowalski and Thomas Leach

Abstain: 0

3. CITIZENS COMMENTS

None

4. PUBLIC HEARINGS

20-3866

HLC#20-007: Public hearing and consideration of an inventory of Historic Properties deemed deserving of official recognition although not designated as historic landmarks

HLC#20-007: Public hearing and consideration of an inventory of Historic Properties deemed deserving of official recognition although not designated as historic landmarks Mr. Wright gave a presentation on properties that the Commission nominated for official recognition as historic properties for 2020. Mr. Wright stated that notices were sent to the property owners and no objections were received. The nominated properties included:

- 105 N. 1st Avenue
- 106 N. 1st Avenue
- 107 N. 1st Avenue
- 108 N. 1st Avenue
- 302 S. 1st Avenue
- 107 N. 2nd Avenue
- 109 N. 2nd Avenue
- 400 S. 2nd Avenue
- 130 N. Main Street
- 203 S. Main Street
- 210 S. Main Street
- 506 E. Broad Street
- 408 North Street
- 1885 Railroad Bridge
- 1922 Auto Bridge

Mr. Wright stated that under Section 5400 of the Zoning Ordinance, a public hearing by the Commission was necessary for official recognition.

Chairman Smith opened the public hearing and called for anyone wishing to speak to come forward.

Seeing no one come forward to speak, Chairman Smith closed the public hearing.

The Commission recommended that a recognition ceremony be held in May 2021 at the Mansfield Historical Museum and Heritage Center or Man House Museum if possible.

Following discussion, Vice-Chairman Littlefield made a motion to officially recognize the nominated properties as listed. Commissioner Walker seconded the motion which carried by the following vote:

A motion was made by Littlefield, seconded by Walker, that this matter be Approved . The motion CARRIED by the following vote:

Aye: 5 - Mark Walker; David Littlefield; Lynda Pressley; Robert Smith and Bob Klenzendorf

CITY OF MANSFIELD Page 2

Nay: 0

Absent: 2 - Amanda Kowalski and Thomas Leach

Abstain: 0

5. Commissioner Pressley left the meeting at 6:00pm

6. <u>DISCUSSION ITEMS</u>

20-3867

HLC#20-008: Discussion and presentation on the Mansfield Downtown Development Strategies and Preservation Planning

20-008: Discussion and presentation on the Mansfield Downtown Development Strategies and Preservation Planning

Mr. Wright gave a presentation on Mansfield's new Downtown Development Strategies and explained how the strategies might potentially impact historical properties in the downtown area. Mr. Wright highlighted three properties on South Main Street and one on Smith Street that could be impacted by future development. Chairman Smith directed that the discussion be continued at the Commission's December meeting.

7. OTHER AGENDA ITEMS

A Preservation Month Sub-Committee Report and Discussion

Vice—Chairman Littlefield presented an overview of the Preservation Month Sub-Committee meeting and described the events planned for Preservation Month 2021, including the following:

- An information table set up at the Library to help teach school aged children the history of Mansfield.
- An essay and poster contest sponsored by MISD in which multiple grade levels will complete and provided presentations on Mansfield.
- An event hosted by Hilltop Bicycle Shop in May and with proceeds going towards the preservation of Mansfield's historic sites.
- A Shop Main Street Weekend
- Special Museum exhibits and historic building tours

8. COMMISSION ANNOUNCEMENTS

The Commissioners welcomed Jennifer Johnston, Development Coordinator, to the Planning Department and looked forward to working with her.

9. STAFF ANNOUNCEMENTS

Mr. Wright stated that the Commission did not receive any Hotel/Motel Tax funds for the preservation grant program this year but funds will be applied for again next year. Mr. Wright thanked the commissioners that were able to make it to the window work shop and advised the work shop was a success.

Mr. Wright stated that the company making the City's historic landmark markers was sold and the price of the markers has increased.

STAFF REPORT

File Number: 20-3895

Agenda Date: 12/10/2020 Version: 1 Status: Public Hearing

In Control: Historic Landmark Commission File Type: HLC Case

Title

HLC#20-009: Public hearing to consider a request for a new mural on the side of the McKnight Building at 102 N. Main Street; Methodist Mansfield Hospital, applicant, and City of Mansfield, applicant/owner

.. Comments and Considerations

As part of a community arts program, Methodist Mansfield Hospital requests approval to paint a new mural on the wall of the McKnight Building facing E. Broad Street. The theme of the mural is based on "Then to Now", showing the transformation of historic Mansfield into modern Mansfield from one side of Main Street to the other with a mother holding a baby in the middle.

Murals painted on landmark buildings are not addressed in the Design Guidelines for Downtown Mansfield. After research, Staff developed guidelines for the Commission to refer to when considering murals on historic buildings. The full guidelines are attached to the end of the staff report. The following are specific guidelines applicable to this project with Staff's comments following each item:

- 1. Do not paint on unpainted masonry.
 - It takes away the historic integrity.
 - It can trap water and damage the brick

The brick on the McKnight Building has already been painted. The addition of the mural should not cause any further damage than the existing paint.

2. A new mural should not compromise the historic character or integrity of the original resource.

The proposed mural should not cover or hide any architectural features of the building. The exhibit shows the mural covering the first window on the side wall.

The exhibit does not appear to be to scale and the mural may be painted below the window.

3. New murals should respect the size, scale and design of the historic building. They should be located on the side, interior or rear walls of existing commercial buildings,

and have minimal impact on surrounding buildings, views and vistas.

The new mural will be located on the side of the building facing E. Broad Street. As shown on the exhibits, it will be in scale with the public sidewalk.

4. The subject matter should reflect an aspect of Historic Downtown Mansfield's or the City's history so that it contributes to or reinforces the historic fabric of the buildings and district.

The proposed subject of the mural reflects the changes on Main Street from the early days of Mansfield to today and shows how time can alter historic buildings.

5. The theme of the mural should be appropriate within the context of the surrounding neighborhood and complement the existing character.

The proposed mural compliments the historic blocks of downtown.

6. No advertising, logos, or political messages should be included in the mural.

The mural does not include advertisements or logos.

7. Reflective, neon and fluorescent paints should not be used.

The paint colors used for the mural will complement the historic building. The colors are shown on the paint color exhibit.

8. Do not paint over other historically significant murals, even if they are faded, including but not limited to advertisements from the late-19th to the mid-20th centuries.

There are no existing or historic murals or signs on the McKnight Building where the mural will be painted.

9. Frame the mural using the boundary of the building's wall, or a painted circle, square, oval, or rectangle.

The shape of the proposed mural does not require a frame. The mural's edge contrasts with the dark red paint on the building to form a visible separation. Additionally, the crosswalk in the mural will extend on the sidewalk adjacent to the building to allow viewers to become part of the mural.

10. Painting a portion of the wall, especially on large walls, instead of the entire wall is recommended to avoid sign blight/overwhelming the streetscape.

The mural will only cover a portion of the wall from mid-point of the wall toward the front of the building.

File Number: 20-3895

11. The number of murals per block face should be limited to discourage visual clutter.

Other than the Museum logo on the side of the building, there are no other murals on this wall.

12. Consider a location that faces east or north, or is shaded, to extend the life of the mural. A mural will fade and peel faster if it is in direct sunlight.

Although the side of the McKnight Building faces south, there is a tree at the corner of E. Broad and Main Street that will provide partial shade where the mural is being painted.

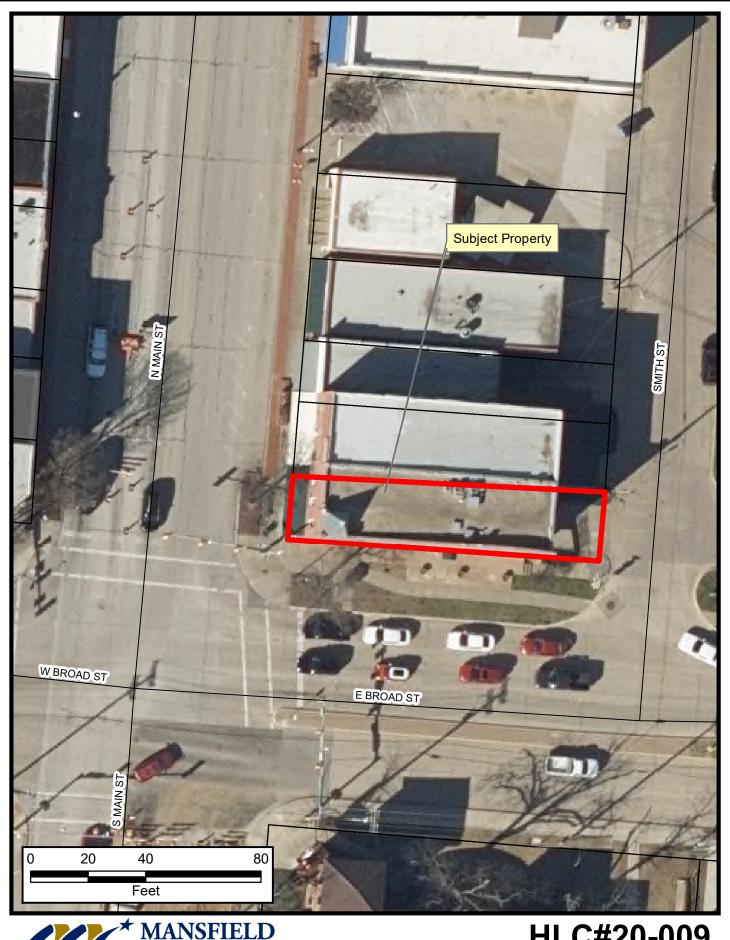

Recommendation

Based on the guidelines described above, Staff believes that the mural is an appropriate artwork for the McKnight Building. The building is already painted and the mural will not incur damage to the brick. The mural's subject matter is in keeping with the historic character of the building and the downtown area.

Staff recommends approval with the condition that the mural does not cover the window.

Mention the Arts and Crafts style and most people think of bungalows and mission furniture. But it was more than a period, it was also a mindset — devoted to the honesty of craftsmanship, simplicity in the design and the joys of nature, hearth, and home. Color palettes recreated the earthy shades found in building materials, or the blues and greens of handmade ceramic tiles. Unpainted woodwork and solid-colored, never papered walls let the simple beauty of every object in the home shine through.

Contrast and variety were truly the hallmarks of Victorian style. Period décor brought together multiple rich, intense shades, often from opposite sides of the color wheel. Reds were paired with greens, golds with purples. As time went on, the Victorians began to favor slightly more subdued colors.

Color Through the Decades: 1950s

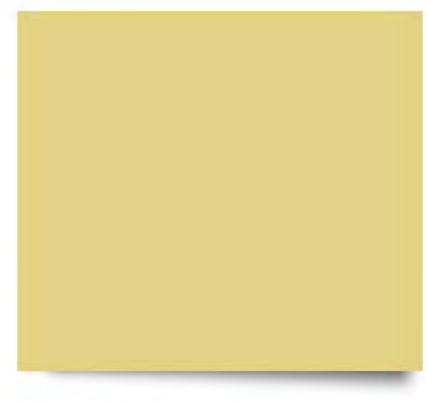

The exuberant post war boom was a mix of styles with mid-century modern and Scandinavian influences making the most impact. Pastels are the norm with pink and turquoise appliances adorning the kitchen and laundry room. Lilac and Chartreuse are very popular.

GUIDELINES FOR MURALS ON HISTORIC BUILDINGS

- 1. Don't paint on unpainted masonry! Why?
 - It takes away the historic integrity.
 - It can trap water and damage the brick
- 2. Instead, paint/print the mural on panels/canvas:
 - Affix the mural through the mortar joints, NOT through the brick. Mortar can be replaced. Drilling brick permanently damages it and can lead to further deterioration.

• Prevent water from getting trapped behind the mural. For example, leave space between the wall and the mural frame or use a sloped cap at the top.

- 3. A new mural should not compromise the historic character or integrity of the original resource.
- 4. New murals should respect the size, scale and design of the historic building. They should be located on the side, interior or rear walls of existing commercial buildings, and have minimal impact on surrounding buildings, views and vistas.
- 5. The subject matter should reflect an aspect of Historic Downtown Mansfield's or the City's history so that it contributes to or reinforces the historic fabric of the buildings and district.
- 6. The theme of the mural should be appropriate within the context of the surrounding neighborhood and complement the existing character.

- 7. No advertising, logos, or political messages should be included in the mural.
- 8. Reflective, neon and fluorescent paints should not be used.
- 9. Do not paint over other historically significant murals, even if they are faded, including but not limited to advertisements from the late-19th to the mid-20th centuries.
- 10. Do not "over restore" historic wall signs: If they are so faded that the content is being lost, retouching with a diluted paint is recommended over 100% full coverage.
- 11. Frame the mural using the boundary of the building's wall, or a painted circle, square, oval, or rectangle.
- 12. Painting a portion of the wall, especially on large walls, instead of the entire wall is recommended to avoid sign blight/overwhelming the streetscape.
- 13. The number of murals per block face should be limited to discourage visual clutter.
- 14. Consider a location that faces east or north, or is shaded, to extend the life of the mural. A mural will fade and peel faster if it is in direct sunlight.

STAFF REPORT

File Number: 20-3867

Agenda Date: 11/12/2020 Version: 1 Status: Consideration

In Control: Historic Landmark Commission File Type: Discussion Item

Agenda Number:

Title

HLC#20-008: Discussion and Possible Action on the Mansfield Downtown Development Strategies and Preservation Planning

Description/History

At the Commission's last meeting, Staff presented information on preservation issues related to the new downtown development strategies. The Commission requested that the discussion be continued at this meeting.

During the discussion, Staff noted four properties that are in or adjacent to Catalyst Project zones.

- 106 E. Kimball Street, the Raymond Thomas House, c. 1913
- 210 S. Main Street, the Wallace-Hall House, c. 1878
- 203 S. Main Street, the Gibson House, c. 1925
- 305 Smith Street, the Jacob Back House, c. 1890

Catalyst projects are improvements or developments that encourage new activity and new developments in the downtown area. The redesign of S. Main Street and the Parklet program are examples of catalyst projects. Redevelopment pressures often encourage incompatible and irreversible alterations to, or even demolition of historic resources.

In addition to planning for new development, the Commission should consider actions for the preservation or documentation of historic resources threatened by demolition for other reasons, such as demolition by neglect.

Staff will present some items for consideration at the meeting.

Title

HLC#20-010: Discussion and Possible Action on Changes to the City's Historic Markers

Description/History

As part of the Historic Marker Program, owners of landmark properties may purchase a plaque describing the history of their landmark. The current plaque uses a black speckled Corian material with the text etched on the surface and painted in white. The plaques are 12 inches in width.

The Award Center, the City's supplier, is no longer able to obtain plaques with the original material. The nearest material in appearance the Award Center has found is black acrylic. Another change from the current marker is the layout of the text must be centered on the plate.

The Award Center provided a quote for a replacement marker for the Perry Cemetery. Using black acrylic, the plaque will cost \$682.38 for a 12-inch by 18-inch plate. The cost of the plaque falls on the landmark owner.

Because of the high cost to the owner, Staff is seeking the Commission's guidance on alternative materials for these plaques.
