Approval to negotiate and finalize the contract.

Staff recommends approval.

The City is in the preconstruction phase of three major capital projects: Fire Station 1, Animal Care Offices and Service Center Expansion, and City Hall. The Construction Manager at Risk (CMAR) delivery method is being utilized or recommended for all projects.

An owner’s representative will oversee and advise the owner throughout design to provide the highest quality project for the lowest ownership cost. Peak Program Value will provide project control services on three major capital projects and advise the city throughout their design and preconstruction phases.
