To Consider Approving the Resolution

To Approve the Resolution

An Economic Development Agreement was approved by City Council on July 24, 2023 with High Five Entertainment as part of the entertainment district within Harvest Point, the first priority project to be developed in the district. Prior to the project commencing, the City was included in the state legislature's most recent update to Texas Tax Code Ch. 351, to enable collections of revenue pertinent to Qualified Hotel projects. To benefit the QUalified Hotel, High Five Entertainment is being developed as a portion of the Qualified Project, as defined in the agreement. If you recall, this venue is approximately 45,000 square feet and will host bowling, laser tag, arcades, bars, restaurants, and other family entertainment across a two-story campus. This project will be located adjacent to a proposed hotel and conference center and this First Amendment allows for the construction of a rooftop performance venue above the building's second story.

Incentives for this additional development are included as a cash grant upon the commencement of construction of the project. Then, the developer will provide a 9% coupon payment to the City, or an amount equal to \$675,000 annually for a period of twenty years. The project will also yield significant state sales tax revenue that can be used for the Qualified Hotel Project, and is estimated to generate over 1 million visitors per year.
