Like our single-family homebuilders in Mansfield, there is a significant opportunity to capture sales tax on materials for the construction of Urban Living Phase 2 by Stillwater. By entering into a sales tax agreement, staff estimates \$200,000 to EDC and \$200,000 to MPFDC would be captured for this single development. The grant to Stillwater would be the remaining 1% portion of local sales tax.

This captures sales tax for the EDC and MPFDC that would otherwise not be collected in Mansfield.
