File #: 24-6083, **Version:** 1

Resolution - A Resolution of the City Council of the City of Mansfield, Texas Approving and Authorizing a Multiple Use Agreement to Permit the Construction, Maintenance and Operation of License Plate Readers in the State Right of Way, by And between the City and the State of Texas, Acting by and through the Texas Department of Transportation; Designating the City Manager as the City Official Authorized to Sign the Multiple Use Agreement, and Providing an Effective Date

The Mansfield Police Department began using Flock license plate reader systems in 2022. The implementation of Flock license plate readers has led to numerous felony arrests, recovered stolen vehicles along with missing person recoveries. It has also assisted in the investigations and arrests in many offenses. This agreement will allow the use of Flock license plate readers on Texas Department of Transportation right of way.

N/A

Approval of multiple use agreement between the City, State of Texas through the Texas department of Transportation.

Jason Turpinat Assistant Chief, Mansfield Police Department
(817)804-5712

To better assist the Mansfield Police Department in its overall performance of its duties and to provide the most up to date technology to our employees and citizens.

Approval of multiple use agreement
