Resolution - Authorization of Funding for an Amount not to Exceed \$106,000 and Approval of Contracts, to include Bannister Engineering, for Design Services for Antler Drive Improvements (MEDC)

The authorization of funds for an amount not to exceed \$106,000 to prepare this project for public bidding. To authorize the President of the MEDC Board to execute contracts including Bannister Engineering

Staff recommends the authorization of funding and the approval of contracts including Bannister Engineering for design services for the Antler Drive Improvements.

On March 4th, 2014 the MEDC Board voted 6 to 0 to authorize funding and the approval of contracts, including Bannister Engineering, for the extension of Antler Drive to FM 917 for an amount not to exceed \$106,000.

The extension of Antler Drive to FM 917 will provide access to an additional 40 + acres of industrial land, including approximately 6 acres of land owned by MEDC. This will help attract additional industrial companies to Mansfield
