In August 2016, MEDC purchased the property located at 106 E. Kimball. At that time the City of Mansfield Parks and Recreation Department expressed interest in obtaining a portion of the site to incorporate into the Pond Branch linear trail. The Parks Department had an appraisal done of this portion and it appraised for \$18,150. The Parks Department has now decided they need to acquire less property and have offered to pay \$10,000 based on a proration of the appraised value for the land they need. Staff is seeking approval of the sale of this land to the City of Mansfield Parks Department for \$10,000.
