Consider an Ordinance to create a Reinvestment Zone to grant a tax abatement for Straumann Manufacturing, Inc. an international dental manufacturing company considering building a new manufacturing facility in Mansfield.

Approve the third reading of an ordinance to create the reinvestment zone.

Staff has been working with Straumann Manufacturing, a large international manufacturer of dental products, considering building a new manufacturing facility in Mansfield. A tax abatement is one of the incentives the City has offered in order to bring this company to Mansfield. A tax abatement requires the establishment of a reinvestment zone by ordinance. This is the third and final reading of the ordinance establishing the boundaries of the reinvestment zone, a 36.363 acre tract of land at the southeast corner of US Highway 287 and Heritage Parkway.

Straumann will invest \$171 million in facilities and equipment and create over 700 jobs.
