Construction award/commencement

April 2021

Substantial completion

Approximately September 2022

The current building is over 29 years old. The Police Department has seen significant growth over the years and is currently operating four (4) different locations within the city. The current facilities are unable to support the existing staffing levels and do not allow for growth. The immediate need is to provide workspace for the current staff and consolidate members in one location that in turn, frees space for other departments.
