Comments and Considerations

The subject property consists of 1.46 acres on the west side of Retta Road and the south side of

Speers Drive. There is an existing single-family residence on the property that may be retained on one of the lots.

The applicant is requesting Single-family 7.5/18 zoning. For this District, the minimum lot width is 65 feet, minimum lot depth is 110 feet and minimum lot area is 7,500 square feet. The minimum home size in this district is 1,800 square feet. Any subdivision would be required to meet the minimum standards of the SF-7.5/18 zoning district.

Any homes built on the subject property must meet the current standards in Section 4600 of the Zoning Ordinance. This will include a minimum roof pitch of 8:12 on the prominent roof slope, no blank walls, 30 year laminated architectural shingles with a three dimensional appearance, and a well-defined front entry.

This proposed zoning change is consistent with the surrounding area and the recommendations in the Future Land Use Plan. Staff recommends approval
