Discussion and Possible Action Regarding the Preservation Month Sub-Committee

The Preservation Month Sub-Committee is tasked with coordinating with the Historic Preservation Advisory Board to propose and plan events for Preservation Month in May.

The first Preservation Month was planned for May 2020 but had to be cancelled due to the COVID outbreak. With a little over 6 months until May 2021, Staff recommends that the Commission and the Advisory Board begin planning efforts for next Preservation Month. As the status of COVID regulations is uncertain, the Sub-Committee may wish to plan for both in-person and virtual events.

These matters will be discussed at the meeting in more detail.
