Consideration of an Ordinance Establishing the Conveyance of a Permanent Sidewalk Easement to the City of Mansfield for the Construction, Maintenance, and Operation of Sidewalk Facilities

Consider the ordinance establishing the conveyance of a Permanent Sidewalk Easement to the City of Mansfield for the construction and maintenance of a sidewalk.

Engineering Staff recommends approval of the ordinance.

The City is reconstructing the westbound lanes of Heritage Parkway. This project includes the installation of an 8-foot sidewalk on the north side of Heritage Parkway in accordance with the On-Street Bicycle Plan. A 5-foot wide Sidewalk Easement is needed to encompass the portion of the sidewalk that extends beyond the right-of-way along Heritage Parkway.

This ordinance dedicates the necessary easement as described in Exhibit A to the City of Mansfield for the installation of a sidewalk in accordance with the On-Street Bicycle Plan.
