SD#21-041: Public Hearing on a Final Plat of Easy Drive Business Park being a revision of Lot 1, McAnier Addition and a 2.117 acre unplatted tract situated in the Elizabeth McAnier Survey, Abstract No. 571, for a total of approximately 4.330 acres; Altar Holdings, LLC, owner; G.A. Dixon Associates, engineer; Coombs Land Surveying, Inc., surveyor

The purpose of this plat is to create nine industrial lots. The plat includes a replat of Lot 1, McAnier Addition, being 2.213 acres and approximately 2.117 acres of unplatted property at the southwest corner of Easy Drive and S. 2nd Avenue. The property is zoned I-2, Heavy Industrial District. No right-of-way dedication is required. The lots are in conformance with the approved preliminary plat.

The lots conform to the zoning and subdivision regulations except that Lots 6, 7 and 8 do not have direct street frontage. The Subdivision Control Ordinance requires lots to have frontage on a public street. As is typical with commercial developments, these lots will be accessed by a 36-foot common access easement from both S. 2nd Avenue and Easy Drive.

Although the digital copy of the plat in the Commission's packet does not have signatures, the filing copy has been signed.
