It is the mission of City of Mansfield Fire Department to provide EMS to individuals within its operating territory in need of emergency care or transport, regardless of the source of and ability to make payment for such services. Charity Care is not available to patients who are able to pay for medical care. Charity Care does not cover residents who are underinsured, have high deductibles or co-payments.

Mansfield Fire Department must adopt a Charity Care Policy to be eligible for reimbursement through the Ambulance Supplemental Payment Program (ASPP).
