Approve resolution

Clayton W. Chandler Park is a 13-acre community park located in the northeast quadrant of the city. It is surrounded by single family housing and two Mansfield ISD schools. Originally named "North Park," the park was constructed in 1976 with the assistance of grant funds from the United States Department of Interior and Texas Parks and Wildlife Department. Renovations funded by the Mansfield Park Facilities Development Corporation were completed in May 2004, including a new restroom/concession/announcer's area, two new football fields with lights, four new t-ball fields, entry/drop off area, accessible parking, pavilion, landscaping, irrigation and fencing. The existing large baseball field was left intact at that time.

The scope of phase two renovations includes construction of a new parking lot, restroom building, looped concrete trail, playground for 2-5yrs and 5-12yrs, splash pad, basketball court, sand volleyball court, skate spot, pond, pavilions, fitness equipment, tennis court improvements, landscaping, benches, picnic tables, park monument sign and irrigated open space.

The bid opening was held on August 9th, with 10 firms submitting bids. Northstar Construction, LLC is the recommended low bidder. The contract includes the base bid (\$3,377,777.77) and one alternate (\$18,548.36) to provide sod in lieu of hydro-mulching for turf establishment. Funding for the construction is included in the MPFDC FY2016-2017 budget and the construction contract was approved with a vote of 5-0 at the August 18, 2016 MPFDC board meeting.

Completion of phase II of Clayton W. Chandler Park will provide citizens with a much needed community park in the northeast quadrant of the City as indicated by the master plan.
