Resolution - A Proposed Resolution Awarding a One Year Renewable Contract to the Lowest and Best Bid for the Supply of Liquid Ammonium Sulfate (LAS), for an Amount not to Exceed \$189.00 / Wet Ton (Utility Fund FY-2017, FY-2018 Operating Budget 025-8105-84-01)

Resolution authorizing a one year renewable option contract for the supply of Liquid Ammonium Sulfate (LAS)

City staff recommends approval of a resolution awarding the bid to the lowest and best bidder, Brenntag Southwest, Inc., for the supply of Liquid Ammonium Sulfate (LAS), for the amount not to exceed \$189.00 / wet ton

The invitation to bid was advertised in the Fort Worth Star Telegram, posted on the City of Mansfield website, and bid packets were e-mailed to known suppliers and companies that requested them.

The TCEQ requires public water systems to provide a chloramine residual in the distribution system. When used in combination with chlorine, Liquid Ammonium Sulfate (LAS) produces the required chloramine residual.

Utility Fund FY-2017, FY-2018 Operating Budget 025-8105-84-01
