File #: 18-2684, **Version:** 1

Staff Update, Board Discussion and Possible Action Regarding Project 17-19, Development of MEDC 170 Acres Mansfield International Business Park and Related Agreements with United Properties Southwest, LLC.

To be determined

To be determined

Staff will provide an update on the engineering / design contract with United Properties Southwest, LLC for the roadway and utility infrastructure improvements for the Mansfield International Business Park.

Development of this property will provide sites for future large scale industrial buildings.
