The proposed revisions and additions to Chapter 111 "Peddlers and Solicitors" reflects needed changes allowing the City of Mansfield Police Department to better address peddler and solicitation related issues associated with the continued growth of the City of Mansfield.

Continued growth of the City has made the revision of the current Ordinance necessary. If the Ordinance revision is adopted, the Police Department will be better able to address issues related to the overwhelming number of peddlers and solicitors attempting to conduct business within the City of Mansfield.
