Review and approve the changes to the Hotel Occupancy Tax Sections 38.15 to 38.20 of the City of Mansfield, Texas Code of Ordinances.

In the fall of 1985, the City Council of the City of Mansfield approved and passed Ordinance No. 634 that levied a hotel occupancy tax in the amount of seven percent (7%). That ordinance allowed for quarterly payments of the hotel occupancy tax to be paid by the hotels to the City. As more Cities in the Dallas Fort Worth metroplex adopted hotel occupancy tax ordinances, those Cities adopted ordinances with the hotel occupancy tax payable on a monthly basis. The monthly payment requirement is desired by the City of Mansfield to ensure consistent occupancy tax payments from the hotels within the city limits.

The monthly payment requirement is desired by the City of Mansfield to ensure consistent occupancy tax payments from the hotels within the city limits. The monthly payment requirement will allow staff to more closely monitor the tax payments from the hotels.
