Discussion and Possible Action Considering the Approval of the Amended Community Activation Grant Application

Staff is requesting the consideration of approval of the Amended Community Activation Grant Application

Staff is recommending the approval of the amended language to the Community Activation Grant Application.

On May 24, 2021 the City of Mansfield passed a resolution creating the Community Activation Grant Program designed to subsidize the fees associated with producing special events, live entertainment production, promotion of local artists, and other community activation efforts. On September 1, 2021 the Historic Downtown Revitalization Sub-Committee discussed possible amendments to the Community Activation Grant Application.

Following the receipt of three Community Activation Grant Applications, the Historic Downtown Revitalization Sub-Committee met to review the grant application packet. Suggested amendments are being presented for the Community Activation Grant Application to create a more efficient and comprehensive program application process.
