HLC#22-009: Discussion on amendments to Sections 155.069 and 155.116 of the Mansfield Code of Ordinances related to the regulations governing the Historic Landmark Overlay District and the Historic Landmark Commission

The current preservation ordinance, Section 155.069 of the Code of Ordinances, was adopted in 1988 and has not been updated since then. The proposed draft removes obsolete provisions and incorporates changes in and provisions of state law regarding historic preservation and the designation of landmarks.

If the Commission is satisfied with the current draft, the next step is to refer the amendments to the City Attorney for review and to ensure compliance with changes in state law affecting preservation. When the final draft is returned, the Commission will need to conduct a public hearing and make a recommendation to the Planning and Zoning Commission.
